

Cellular Support Protocol*

Objective	Product Recommendation	Dosage	Key Ingredients
Provides clinically studied boswellia standardized for acetyl-11-keto-beta-boswellic acid (AKBA) to support healthy inflammation response and cellular function ^{††}	BosPro™	1 softgel daily, or as recommended by a healthcare practitioner.	Boswellia (<i>Boswellia serrata</i>) Gum Resin Extract (BOS-10 [®]) standardized to contain ≥70% total organic and boswellic acids with AKBA ≥10%, with ≤5% beta-boswellic acids
Supports healthy inflammation response, and protects cells from oxidative stress and free radicals with clinically studied, enhanced absorption curcumin ^{††}	CuraPro® 375 mg (Delivers a minimum of 250 mg of curcuminoids per softgel) CuraPro® 750 mg (Delivers a minimum of 500 mg of curcuminoids per softgel)	1 softgel daily, or as recommended by a healthcare practitioner. 1 softgel daily, or as recommended by a healthcare practitioner.	Proprietary Complex: Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95 [®] /Curcugreen [®]) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), phospholipids (from sunflower lecithin), supplying 250 mg of pure curcuminoids Proprietary Complex: Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95 [®] /Curcugreen [®]) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), phospholipids (from sunflower lecithin), supplying 500 mg of pure curcuminoids
Supports cellular protection and healthy immune function throughout the body, and protects DNA from the risk of oxidative stress and damage ^{^^}	Clinical OPC[®]	1 softgel daily. May take up to 3 times a day for enhanced benefits, or as recommended by a healthcare practitioner.	French Grape (<i>Vitis vinifera</i>) Seed Extract (VX1 [®]) standardized to contain ≥99% polyphenols and ≥80% OPCs (Tannin Free)
Provides clinically studied glutathione that improves ratios of active glutathione to oxidized glutathione for healthy DNA replication*	Clinical Glutathione™	2 tablets daily. One tablet in a.m. and one tablet in the p.m., or as recommended by a healthcare practitioner. Tablet should be held in mouth and allowed to dissolve before swallowing for optimal results.	L-Glutathione (reduced active form)
Supports brain, nerve, and heart health, and provides cellular protection throughout the body from risk of oxidative stress and damage*	CoQ10 Chewable 100 mg (with GammaSorb [®] gamma cyclodextrin for 8 times higher absorption ^{^^})	1 chewable tablet daily, or as recommended by a healthcare practitioner.	Coenzyme Q10 (ubiquinone)

euromedicausa.com | 866.842.7256

[†]Occasional inflammation due to exercise or overuse. [^]Protection from oxidative stress and damage. ^{^^}Compared to standard CoQ10.
