Andrographis is an adaptogen that has been widely used in Ayurvedic medicine since ancient times, and is at the forefront of research today. Currently, there are over 800 studies for andrographis in the NHI Pubmed online database. In fact, many of you may have even heard of its many strengths, including immune defense, cellular protection[^], and healthy inflammation response.*[†]

Andrographis EP80:

- Gold standard for immune support and more
- Exclusive to the EuroMedica brand
- A proprietary, multi-purpose formula that expertly blends two different extracts to maximize their health benefits
- Contains both stem and leaf extracts to optimize the variety of compounds found in the blend – like many valuable botanicals, the main compounds (in this case, andrographolides) are more powerful when they are supported by the other phytonutrients found in the leaf and the stem of the plant
- Scientifically studied

Although it has been known as the “King of the Bitters” because of its taste in traditional preparations, your customers will appreciate this convenient capsule version that delivers 80 mg of andrographolides – the herb’s key compound for optimal health – without the bitter taste.*

Andrographis EP80 supports:

- **Healthy Inflammation Response[†]**
- **Liver Support**
- **Immune Function**
- **Joint Health**
- **Daily Energy and Adaptability**
- **Brain Function and Mental Clarity***

Frequently Asked Questions for Andrographis EP80™ Extra Strength:

- Q. I've heard that andrographis is called "King of the Bitters". Does that mean it will leave a terrible taste in my mouth?**
- A.** Traditional preparations of andrographis were bitter tasting because of the nature of their beneficial compounds. However, since this andrographis is delivered in capsule form, you'll only notice the benefits – not the taste.
- Q. Can I use Andrographis Extra Strength as an immune-support supplement?**
- A.** Yes. Andrographis is a well-known botanical for supporting the immune system throughout the year, or can be taken just when desired.*

What to pair with Andrographis EP80™ Extra Strength:

- **CuraPro®** – Delivers clinically studied curcumin combined with turmeric essential oil (turmerones) for enhanced absorption and blood retention to support healthy inflammation response.*†
