When you need support for overall metabolic health, including healthy blood sugar, cholesterol, and triglyceride levels, try **Berberine 500 mg**.<sup>\*†</sup> Each capsule delivers 500 mg of berberine, a compound well-known by traditional practice and modern science to support a variety of benefits, including:

- Healthy cholesterol & triglyceride balance<sup>†</sup>
- Optimal liver function
- Healthy blood sugar levels<sup>†</sup>
- Cognitive health
- Cellular function
- Joint health\*

Although the compound berberine is found in many botanicals, the berberine in **Berberine 500 mg** is a root and bark extract from *Berberis aristata*, also known as Indian barberry. Berberine has been noted for generations in Ayurvedic and Traditional Chinese practice as having benefits for many aspects of well-being.\*

Current research beyond directly metabolic-related factors has found that berberine may support cognitive health and brain function as well as cellular, cardiovascular, and liver function.\*
