

CoQ10 100 mg Chewable

8x Higher Absorption[^] • Mild Orange Flavor

CoQ10 is Essential for Optimal Health

Every cell in our bodies has microscopic engines called mitochondria and the fuel for these engines is CoQ10.*

CoQ10 sparks the process of moving electrons to create adenosine triphosphate (ATP), which powers our body at a microscopic level. Your heart, brain, and every energy intensive aspect of your body and mind need a lot of CoQ10 to work optimally. You now have a choice of CoQ10 from a trusted source.*

EuroMedica’s **CoQ10 100 mg Chewable** has a unique gamma-cyclodextrin delivery system. Gamma-cyclodextrin acts as a carrier for CoQ10. This bucket-shaped molecule carries CoQ10 to bring more of it intact into the intestines where it is absorbed and dispersed into the bloodstream. Research shows that the simple combination enhances the absorption of CoQ10 by 8 times compared to standard CoQ10 forms.*

Many Reasons to Love CoQ10 100 mg Chewable:

- Supports energy production within the cells, also replenishes CoQ10 depleted by cholesterol-lowering statin drugs*
- Helps preserve neural connections, healthy brain function, and overall cognitive health*
- Supports gum and dental health*
- Reduces the risk of oxidative stress and supports healthy cellular energy*

Frequently Asked Questions for CoQ10 100 mg Chewable:

Q. How does the chewable form deliver better absorption over standard forms of CoQ10?

A. The chewable CoQ10 features an ingredient called gamma-cyclodextrin that acts as a carrier for the nutrient. This bucket-shaped oligosaccharide holds the CoQ10 to bring more of it intact into the intestines where it is absorbed and dispersed into the bloodstream. Research shows that this simple combination enhances the absorption of CoQ10 by **8 times (800%)** compared to standard CoQ10 forms.*

What to pair with CoQ10 100 mg Chewable:

- **Clinical OPC®** – Features tannin-free French grape seed extract VX1® to support healthy circulation and optimal cardiovascular function.*
- **A • D • K2 Cardio Health™** – Delivers vitamins A, D3, and K2 to support vascular elasticity and strength.*
