

DIM + Curcumin

Healthy Estrogen Metabolism*
Provides Clinically Studied BR-DIM® & Curcumin

5 67703 82143 2

DIM + Curcumin contains 3 unique ingredients in the most effective forms for healthy estrogen balance and metabolism.**

- **Clinically Studied Curcumin** – The most clinically studied enhanced absorption curcumin in the world with over 85 published studies, over 40 of which are HUMAN CLINICAL TRIALS.
- **Clinically Studied BR-DIM®** – Demonstrated better absorption, making it more effective than ordinary DIM for healthy estrogen balance and detoxification.** You would have to consume 2 lbs. of broccoli to match this level of DIM.
- **French Grape Seed VX1®** – This exclusive, tannin-free extract is standardized for only highly absorbable, low molecular weight oligomeric proanthocyanidins (OPCs).

Recommendations: 1 capsule daily with food. May increase to 1 capsule twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.
†Supports healthy levels already within normal range

Perimenopause and PMS symptom relief

Promotes healthy estrogen and progesterone balance^{††}

Healthy metabolism and weight management^{*†}

With its exclusive combination of ingredients, **DIM + Curcumin** supports healthy hormone balance^{††} to support mood, weight[†], energy levels, and overall well-being.*

The Complete Formula for Healthy Hormone Balance^{*††}

DIM + Curcumin provides three highly effective ingredients in just one formula:

- **Clinically studied BR-DIM** is better absorbed and, therefore, more effective than ordinary DIM for estrogen balance and detoxification.^{††} It eases mood swings and cramping of perimenopause and PMS, supports healthy metabolism, and protects healthy breast cells.*[^]

The DIM in this formula equals the amount found in two pounds of broccoli. Each capsule provides 120 mg of clinically studied BR-DIM—the same level used in groundbreaking studies.

- **High absorption Curcumin** is the most clinically studied, enhanced absorption curcumin in the world with more than 85 published studies, of which over 40 are human clinical trials. Curcumin is the active compound from turmeric that supports healthy liver function to help effectively eliminate toxins that mimic estrogen and contribute to estrogen dominance. It also offers powerful cellular protection from the risk of oxidative damage.*
- **French Grape Seed VX1®** is a tannin-free extract standardized for only highly absorbable, low-weight oligomeric proanthocyanidins (OPCs). It supports healthy hormone balance^{††} and aromatase activity, weight management[†], and mood.*

Frequently Asked Questions for DIM + Curcumin

Q. What is the difference between DIM and indole-3-carbinol?

A. While both are associated with cruciferous vegetables, DIM is a metabolite of indole-3-carbinol and is more stable. DIM requires no further conversion or breakdown by stomach acid, so it is ready to provide benefits immediately.

Q. Will this product increase estrogen levels?

A. No, it supports healthy estrogen balance, metabolism, and detoxification.*††

Q. How is BR-DIM® different from other forms of DIM?

A. BR-DIM uses a proprietary dosage form and delivery system for excellent bioavailability that separates it from other forms of DIM. In fact, every capsule of DIM + Curcumin provides 120 mg of BR-DIM—the clinically effective level.

Q. Can this product be used by men as well as women?

A. Yes. While estrogen balance is often viewed as primarily a woman's health consideration, the fact is, both men and women can benefit from DIM and the other ingredients in this formula. DIM's support of healthy estrogen and androgen levels††, along with the ability of curcumin and grape seed extract to protect prostate cells from the risks of oxidative stress and damage make it an excellent supplemental option for men.*

What to Pair with DIM + Curcumin

ProHydra-7™

Provides clinically studied SB-150™ sea buckthorn oil, a source of omega-7. This botanical supports healthy skin and mucosal membranes throughout the body.*

Vitamin D3 Chewable 5,000 IU

Supports strong bones, teeth, overall health, and the immune system. The delicious mixed berry flavor makes it a favorite for adults and children alike.*
