CoQ10 is Essential for Optimal Health*

Every cell in our bodies has microscopic engines called mitochondria and the fuel for these engines is CoQ10.

CoQ10 sparks the process of moving electrons to create adenosine triphosphate (ATP), which powers our body at a microscopic level. Your heart, brain, and every energy intensive aspect of your body and mind need a lot of CoQ10 to work optimally. You now have a choice of CoQ10 from a trusted source.*

EuroMedica's **CoQ10 100 mg Chewable** features our exclusive GammaSorb® delivery system. GammaSorb is a plant-based material that binds to nutrients, making them more easily absorbed and bioavailable for optimal benefits. Research shows that the simple combination enhances the absorption of CoQ10 by **8 times** compared to standard CoQ10 forms.*
