SYMBOL DEFINITIONS

Product is Vegan, containing no animal ingredients or by-products and using none in its manufacture.

Product contains no genetically modified organisms.

Product is Kosher, manufactured under strict conditions, and certified as being in compliance with Jewish dietary law.

Product is Halal, manufactured under strict conditions, and certified as being in compliance with Islamic dietary law.

GammaSorb® is a plant-based material that binds to nutrients, making them more easily absorbed and bioavailable for optimal benefits. EuroMedica pairs GammaSorb with certain nutrients that are known for being difficult to absorb. The result is a higher level of support for your overall health.*

Our Mission:

Helping You Support Your Patients

We know that you want your patients to live with vitality and optimal health. That's why we're so passionate about bringing you safe, effective, and proven products. Of course, the proof is in the positive results that you and your patients see in your practice. We promise to help you deliver these results.

Founded with Your Practice in Mind

EuroMedica® was founded with a mission: to help practitioners and patients by fusing time-tested tradition with cutting edge science. We believe in partnering with practitioners, listening to their needs, and developing powerful interventions that support optimal health.*

Premium Ingredients and a Commitment to You

Our formulations feature clinically and scientifically validated ingredients that you can recommend with confidence. Our products are rigorously tested to ensure strength, identity, purity, and composition. We take pride in delivering unadulterated ingredients and are committed to traceable practices proven through third-party testing and certifications. You and your patients can be assured that you're getting the very best.

EuroMedica[®]

Employee Owned and Deeply Invested in Our Mission

In 2016, Terry Lemerond, president and founder of EuroMedica, generously passed the business on to his employees, by turning his company into an Employee Owned Company.

Because of his intensive devotion to this company and its great potential to assist practitioners and patients in the future, Terry wanted the business to be in the hands of the people who helped build it, who would remain true to his vision and loyal to you, our practitioner partners.

We take that mission seriously and we are eternally grateful Terry has entrusted us with this tremendous and worthwhile responsibility. We are proud to be employee owners of a leading-edge, professional company dedicated to promoting vitality, health, and well-being.

How our Employee Ownership Benefits Your Practice

As owners of our company, we are all driven to find better ways to support you, our practitioner partners. We consider the success of your practice and the health of your patients as our success, too. We are personally and professionally invested in every aspect of the work we do: from marketing to sales to production to shipping, and all operations in between. Everything we do is with your continued growth in mind.

And that's one part of the EuroMedica difference. After all, large corporations have a responsibility to their shareholders to make a huge profit, but here at EuroMedica, every associate is a shareholder with the same vision. And we thank you for being a part of that.

Where to Order

Order directly with EuroMedica.

A·D·K2 Cardio Health™*

For Vascular Elasticity and Strength*

SUPPLEMENT FACTS		
Serving Size: 1 Softgel		
Servings Per Container: 60		
Amount Per 1 Softgel:		% DV
Vitamin A (as retinyl palmitate)	1,500 mcg (5,000 IU)	167%
Vitamin D3 (as cholecalciferol)	125 mcg (5,000 IU)	625%
Vitamin K2 [as menaquinone-7 (MK-7 as MenaQ7®)]	90 mcg	**

**Daily Value (DV) not established.

Other Ingredients: extra virgin olive oil, gelatin, sunflower seed oil, glycerin, purified water, olive oil.

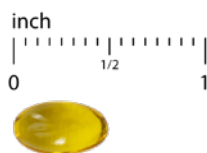

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#90596 60 Softgels

Recommendations: 1 softgel daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Mena Q7™ is a trademark of NattoPharma ASA, Norway.

For healthy arteries, calcium level balance, and complete cardiovascular system support, the body needs vitamins A, D3, and K2 in the right forms and at the appropriate levels. A·D·K2 Cardio Health supplies them. It provides patients with readily utilized nutrients that work synergistically, supporting the structure, flexibility, and proper mineral balance in arteries and blood vessels throughout the body.*†

Health Benefits:

- Blood vessel elasticity
- Arterial wall strength and integrity
- Lipid metabolism and healthy blood clotting
- Calcium level balance in the bloodstream†
- Heart muscle vitality and overall cardiovascular support*

What Makes Our Product Unique:

- Vitamin A in the retinol form, no conversion into an active form needed
- Clinically studied MenaQ7® form of vitamin K2
- Specially formulated with the right levels of each nutrient for synergistic support

Cardiovascular • Vitamins & Minerals

†Supports healthy levels already within normal range.

Active B Complex

Biologically Active Forms of Vitamin B12, Folate, and B6

SUPPLEMENT FACTS		
Serving Size: 1 Capsule		
Servings Per Container: 60		
Amount Per 1 Capsule (Veg):		%DV
Vitamin B6 (as pyridoxal-5-phosphate)	25 mg	1,471%
Folate (from L-5-methyltetrahydrofolate calcium salt)	800 mcg DFE	200%
Vitamin B12 (as methylcobalamin)	1,000 mcg	41,667%

Other Ingredients: microcrystalline cellulose, mannitol, hydroxypropyl methylcellulose (vegetable cellulose capsules), rice bran extract, medium chain triglycerides, gum arabic, silica.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#68006 60 Capsules

Recommendations: 1 capsule daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Many people (some estimate up to 30% of the population) cannot fully utilize B vitamins from food and supplements, because common forms of B vitamins must be converted into the active form before they will function and deliver benefits.

Active B Complex is different. It delivers vitamin B12, folate and B6 in their active forms—methylcobalamin, methylfolate, and p-5-p—which require no conversion by the liver. This makes Active B Complex effective even for those with significant conversion challenges.

Health Benefits:

- Brain and nerve function
- Daily energy
- Healthy muscle function and exercise recovery
- Carbohydrate metabolism
- Healthy blood pressure[†]
- Cardiovascular function
- Healthy fetal development
- Cognitive function*

What Makes Our Product Unique:

- Active forms of B6, B12, and folate that require no conversion by the liver
- Meaningful dosage levels of B vitamins for consistent, reliable benefits
- Convenient, once-daily capsule

Cardiovascular • Cognitive & Neurological • Daily Essentials • Energy • Metabolic Support • Vitamins & Minerals

[†]Supports healthy levels already within normal range.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Acute Pain Relief^{*†}

Triple Action—Small, Easy-to-Swallow Liquid Gels

SUPPLEMENT FACTS	
Serving Size: 2 Liquid Gels Servings Per Container: 30	
Amount Per 2 Liquid Gels:	
	%DV
Calories	10
Total Fat	0.5 g < 1% [†]
Proprietary Complex	1,000 mg **
Black Sesame (<i>Sesamum indicum</i>) Oil, Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95 [®] /Curcugreen [®]) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), Boswellia (<i>Boswellia serrata</i>) Gum Resin Extract (BOS-10 [®]) standardized to contain ≥ 70% total organic and boswellic acids with AKBA ≥ 10%, with ≤ 5% beta-boswellic acids	

**Daily Value (DV) not established.
†Percent Daily Values (DV) are based on a 2,000 calorie diet.

Other Ingredients: gelatin, glycerin, extra virgin olive oil, purified water, sunflower lecithin, beeswax, and annatto in sunflower oil (softgel color).

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#84706 60 Liquid Gels

Recommendations: Take 2 liquid gels once daily. If needed, may take 2 liquid gels twice daily or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Acute pain is common and happens to everyone, but many of your patients may wonder what they can or should take. Acute Pain Relief can help. This groundbreaking formula is specially formulated to target sudden, acute pain. These small, easy-to-swallow liquid gels feature clinically studied curcumin and boswellia that work through key pathways to provide relief of acute pain, and uses black sesame oil to transport and disperse these fat-soluble ingredients. Plus, black sesame oil has been studied for supporting a healthy inflammation response on its own.^{*†}

Large tablets and capsules can be a challenge for some patients, and this formula has overcome that challenge. Nothing bulky here—just advanced pain relief that's the right size and highly effective.^{*†}

Health Benefits:

- Safe, effective relief for sudden, occasional pain^{*†}
- Strong support for joint comfort, mobility, and flexibility^{*}

- Great for on-the-go relief for anyone with physically demanding jobs, at the gym, or active outdoors^{*}

What Makes Our Product Unique:

- Exclusive breakthrough in pain relief from EuroMedica[®]—small in size, but BIG in results!^{*†}
- Features nutrients clinically studied for pain relief^{*†}: BCM-95[®] curcumin, a focus of over 90 published studies, and BOS-10[®] boswellia
- Easy-to-swallow liquid softgel for patient convenience and compliance
- Patent pending, clinically proven delivery system featuring black sesame oil as an emulsifier and rapid transporter of fat-soluble ingredients like curcumin and boswellia

Bone & Joint Health • Musculoskeletal • Pain

How EuroMedica® Does It: The Right Blend of the Right Ingredients

Each of our supplements have been carefully formulated with a select group of ingredients combined in exactly the right proportion for maximum effectiveness and results. We're certain that your patients will notice the benefits!

BCM-95® Curcumin

Curcumin, the primary compound from turmeric (*Curcuma longa*), has been recognized for its pain-relieving abilities.*† BCM-95 curcumin is blended with turmeric oil containing ar-turmerone in a patented process for enhanced absorption and blood retention time. It can work more effectively and for a longer time than plain curcumin extracts or unstandardized turmeric. In fact, it is the most clinically studied, enhanced absorption curcumin in the world!

BOS-10® Boswellia

Like curcumin, boswellia (*Boswellia serrata*) has long been valued for its health benefits. Our boswellia, BOS-10, is clinically studied, PLUS it is uniquely standardized to higher levels of AKBA (acetyl-11-keto-beta-boswellic acid), the botanical's key compound for pain relief.*†

Black Sesame Oil

The black sesame oil in Acute Pain Relief acts as an emulsifier in a new, clinically proven process that helps deliver the curcumin and boswellia in this formula. It also contributes to the small, easy-to-swallow size of each liquid gel. Black sesame oil has also been traditionally used in Ayurvedic medicine to aid in carrying and dispersing other fat-soluble ingredients and has been studied for supporting a healthy inflammation response all on its own.*†

†Occasional muscle pain or inflammation due to exercise or overuse.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Adrenaplex®

Supports Healthy Adrenal Gland Function and Manages Fatigue**

SUPPLEMENT FACTS

Serving Size: 2 Capsules
Servings Per Container: 30 or 60

Amount Per 2 Capsules:	% DV
Vitamin C (as ascorbic acid)	200 mg 222%
Vitamin B6 (as pyridoxal-5-phosphate)	10 mg 588%
Pantothenic Acid (as d-calcium pantothenate)	100 mg 2,000%
L-tyrosine	450 mg **
Adrenal Extract (freeze dried)	200 mg **
Licorice (<i>Glycyrrhiza glabra</i>) Root (5:1) Extract	125 mg **
Rehmannia (<i>Rehmannia glutinosa</i>) Root (5:1) Extract	75 mg **
Pregnenolone	15 mg **
DHEA (dehydroepiandrosterone)[micronized]	10 mg **

**Daily Value (DV) not established.

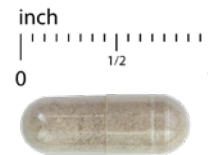

Other Ingredients: gelatin, maltodextrin, microcrystalline cellulose, silica, vegetable source magnesium stearate.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#87106 60 Capsules

#87102 120 Capsules

Recommendations: Adults (18 years old and up): 2 capsules daily. May be taken as 1 capsule twice daily, or as recommended by your healthcare practitioner.

According to the American Psychological Association, over 75 percent of Americans regularly experience psychological and physical effects of stress. Because stress places such a demand on the adrenal glands and the way that adrenaline, cortisol, and other natural components work in the mind and body, daily support is critical. Adrenaplex provides it. It features traditionally used botanicals, carefully selected adrenal extract, minerals, and other key nutrients for daily adrenal function and a healthy response to stress.**

Health Benefits:

- Helps replenish nutrients lost to stress**
- Supports healthy adrenal levels^ and resistance to stress**
- Assists in formation of neurotransmitters, including serotonin and dopamine, which play a role in mood and emotion*
- Maintains activity of the adrenal cortex, supports the function of the hypothalamus-pituitary-adrenal axis, and supports the balance of key adrenal hormones**
- Helps patients feel more daily energy and vitality and less occasional fatigue*

What Makes Our Product Unique:

- Bioactive vitamin B6 in the p-5-p form that doesn't require conversion by the liver
- Combination of traditional and leading-edge ingredients—a complete complex to support a healthy response to stress & fatigue**
- Support, without the caffeine—doesn't cause jitteriness or add to occasional stress*
- Preferred choice by practitioners for adrenal support*

California DHEA and Pregnenolone WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed health care professional before using this product if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. KEEP OUT OF REACH OF CHILDREN. To report any adverse events call 1-800-332-1088.

Andrographis EP80™ Extra Strength

The Ayurvedic Answer for Optimal Health*

SUPPLEMENT FACTS	
Serving Size: 1 Capsule	
Servings Per Container: 60	
Amount Per 1 Capsule (Veg):	%DV
Andrographis (<i>Andrographis paniculata</i>) Leaf Extract (EP80™) standardized to ≥ 20% total andrographolides (≥ 80 mg)	400 mg **
**Daily Value (DV) not established.	

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), microcrystalline cellulose, silica, vegetable source magnesium stearate.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#89466 60 Capsules

Recommendations: 1 capsule daily. For extra support may take 1 capsule twice daily or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Andrographis is an adaptogen that supports mental clarity, but it delivers a wide range of support for much more: immune defense, cellular protection[^], and healthy inflammation response—just to name a few.[†] While the herb has been used in Ayurvedic medicine since ancient times, our own EP80 extract is at the forefront of research showing its support for healthy DNA replication and potential application with conventional practice.*

Health Benefits:

- Healthy inflammation response[†]
- Immune function and upper respiratory tract support
- Liver and gastrointestinal function
- Cellular protection and DNA replication[^]
- Daily energy and adaptability
- Brain function, mental clarity, and focus*

What Makes Our Product Unique:

- Exclusive EP80 extract optimizes the key compounds andrographolides, and retains the other valuable phytonutrients from the plant for a wider range of benefits*
- Chosen especially for its effectiveness for leading edge research on cellular health and DNA replication*

Cellular Health • Cognitive & Neurological • Detox • Gastrointestinal • Immune & Upper Respiratory Support • Musculoskeletal

[^]Protection from oxidative stress and damage. [†]Occasional inflammation due to exercise or overuse.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

AnxioCalm[®]

Relief of Occasional Anxiety, Stress, Nervous Tension, & Restless Sleep*

SUPPLEMENT FACTS

Serving Size: 2 Tablets
Servings Per Container: 22

Amount Per 2 Tablets:	%DV
Narrow-leaved Coneflower 40 mg	**
<i>(Echinacea angustifolia)</i> Root Extract (EP107 [™]) standardized for a unique, proprietary alkamide profile	

**Daily Value (DV) not established.

Developed by Researchers at the Hungarian Academy of Sciences. Budapest, Hungary.

U.S. Patent #8,206,762

Product of Hungary.

When your patients deal with occasional anxiety and stress, AnxioCalm provides a clinically studied, non addictive, and effective way to help. Exclusively available from EuroMedica[®], it features a clinically studied *Echinacea angustifolia* extract (EP107[™]) that delivers a unique alkamide profile that calms nerves and supports a positive mood.*

Health Benefits:

- Fast-acting relief of occasional anxiety, stress, and nervous tension*
- Enhances restful sleep and relieves occasional restless sleep*
- Promotes mental health and emotional well-being*

It may also help relieve related symptoms:

- Nervous sweating
- Upset stomach
- Muscle tension and tightness*

What Makes Our Product Unique:

- Exclusive, clinically studied *Echinacea angustifolia* EP107
- Clinically tested and shows results from the first day
- Unique phytonutrients shown to support brain receptors associated with feelings of calm and relaxation*
- Supports healthy endocannabinoid system function*
- Equaled—and in some cases exceeded—results of conventional approaches in published research
- Non-addictive, non-drowsy support
- An effective alternative to CBD or other hemp-related supplements
- Safe for adults and children 4 and up

ArthroMed™

Supports Joint and Spine Health, Flexibility and Comfort*

SUPPLEMENT FACTS

Serving Size: 2 Capsules Servings Per Container: 30

Amount Per 2 Capsules (Veg):	%DV
Proprietary Complex	800 mg **
Containing Boswellia (<i>Boswellia serrata</i>) Gum Resin Extract (BOS-10®) standardized to contain ≥ 70% total organic and boswellic acids with AKBA ≥ 10%, with ≤ 5% beta-boswellic acids, Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95®/Curcugreen®) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin, and bisdemethoxycurcumin), Devil's Claw (<i>Harpagophytum procumbens</i> , <i>Harpagophytum zeyheri</i>) Root Extract standardized to contain ≥ 20% harpagosides	

**Daily Value (DV) not established.

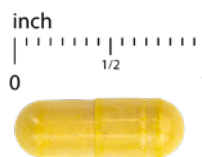

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), silica, vegetable source magnesium stearate, cellulose powder.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#70196 60 Capsules

Recommendations: 1-2 capsules twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

ArthroMed is a proprietary formula that effectively supports joint health and cartilage formation. It helps maintain the structure and health of articular joints as well as the comfort of the spinal column. With clinically studied BCM-95® curcumin and BOS-10® boswellia, assisted by a unique devil's claw standardized for a superior level of beneficial compounds, ArthroMed is an excellent recommendation for your patients who are looking for intensive joint and spine support.*

Health Benefits:

- Supports joint health and cartilage formation and structure*
- Safely supports major signaling and biological pathways of the body that influence joint mobility and health*
- Optimizes comfort in articular joints and spine*

What Makes Our Product Unique:

- Delivers clinically studied BCM-95 curcumin and BOS-10 boswellia along with devil's claw
- Unique devil's claw standardized at 20% harpagosides—a key component for the best benefits—most other products are either unstandardized or standardized for only 2% harpagosides
- Devil's claw has been shown to support healthy hyaluronic acid synthesis in chondrocytes, which can enhance and optimize joint lubrication by up to 41%*

Ashwagandha Complex

Stress Relief, Maximize Energy, and Support Healthy Cortisol Levels^{††}

SUPPLEMENT FACTS

Serving Size: 1 Capsule
Servings Per Container: 60

Amount Per 1 Capsule (Veg):	%DV
Proprietary Complex	500 mg **
Ashwagandha Blend [Ashwagandha (<i>Withania somnifera</i>) leaf and root extract and Ashwagandha (<i>Withania somnifera</i>) leaf and root extract (EP35™) standardized to ≥ 35% withanolides], Rhodiola (<i>Rhodiola rosea</i>) Root Extract (EPR-7™) standardized to ≥ 3% rosavins and ≥ 1% salidroside	

**Daily Value (DV) not established.

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), microcrystalline cellulose, rice bran extract, silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#70016 60 Capsules

Recommendations: 1 capsule daily, or as recommended by your healthcare practitioner. For optimal results, take on an empty stomach.

If pregnant or nursing, consult a healthcare practitioner before use.

Ashwagandha Complex is a potent, herbal adaptogen formula of clinically tested ashwagandha with rhodiola at clinically studied levels that supports healthy physical and mental resilience and promotes energy, vitality, and stress resistance.*†

Health Benefits:

- Maximizes energy and relieves stress[†]
- Supports healthy cortisol levels[^]
- Sharpens focus and concentration
- Promotes healthy adrenal function
- Enhances physical performance
- Promotes muscle tone and strength*

What Makes Our Product Unique:

- Each botanical adaptogen is standardized for key compounds, ensuring potency and benefits
- Effective ashwagandha: While useful for both men and women, studies specifically on men have shown that administration of ashwagandha is associated with decreased stress and healthy semen quality*†
- Our rhodiola provides rosavins and salidroside, compounds shown to help reduce acute stress*†

Berberine 500 mg

Metabolic Support*

SUPPLEMENT FACTS	
Serving Size: 1 Capsule	
Servings Per Container: 60	
Amount Per 1 Capsule (Veg):	%DV
Berberine	500 mg **
[from Indian Barberry (<i>Berberis aristata</i>) Bark and Root Extract]	
**Daily Value (DV) not established.	

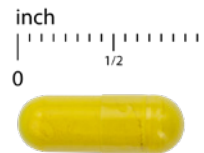

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), vegetable source magnesium stearate, silica, cellulose powder.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#79746 60 Capsules

Recommendations: 1 capsule three times daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

When your patients need support for overall metabolic health, including healthy blood sugar, cholesterol, and triglyceride levels, try Berberine 500 mg.[†] Each capsule delivers 500 mg of berberine, a compound well-known in traditional practice and leading-edge research. In addition to metabolic related factors, current research has found that berberine may support cognitive health and brain function as well as cellular, cardiovascular, and liver function.*

Health Benefits:

- Healthy cholesterol and triglyceride balance[†]
- Optimal liver function and detoxification
- Healthy blood sugar levels[†]
- Cognitive health and mood
- Cellular function and healthy DNA replication
- Joint health and comfort*

What Makes Our Product Unique:

- One capsule delivers 500 mg of berberine, the amount found effective in clinical studies
- Although the compound berberine is found in many botanicals, Berberine 500 mg features a root and bark extract from *Berberis aristata*—also known as Indian barberry—for a time-trusted source

Berberine Ultra Absorption

Metabolic Support*

SUPPLEMENT FACTS	
Serving Size: 1 Capsule	
Servings Per Container: 60	
Amount Per 1 Capsule (Veg):	%DV
Berberine	250 mg **
[from Phellodendron (<i>Phellodendron amurense</i>) Bark Extract]	
**Daily Value (DV) not established.	

Other Ingredients: gamma cyclodextrin, hydroxypropyl methylcellulose (vegetable cellulose capsules), microcrystalline cellulose, starch, vegetable source magnesium stearate, silica.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#85606 60 Capsules

Recommendations: 1 capsule daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

While berberine is frequently recommended to support healthy blood sugar, cholesterol and triglyceride levels, and overall metabolic health, standard berberine can still be difficult for the body to absorb and use effectively.** In fact, it's estimated that only about five percent of any given dosage of berberine actually makes it into the bloodstream, so finding a way to enhance absorption is key to the full advantage of its benefits.

Formulated with GammaSorb®, Berberine Ultra Absorption can meet that challenge and deliver the results your patients are looking for.

Health Benefits:

- Healthy cholesterol and triglyceride balance†
- Optimal liver function and detoxification
- Healthy blood sugar levels†
- Cognitive health and mood
- Cellular function and healthy DNA replication
- Joint health and comfort*

What Makes Our Product Unique:

- Berberine Ultra Absorption is berberine made better.
- Combines berberine with GammaSorb, a plant-based oligosaccharide molecule that has been shown to increase the absorption of certain hard to absorb (fat soluble) dietary ingredients.

Bladder Manager™

Supports Healthy Bladder Strength and Function*

SUPPLEMENT FACTS	
Serving Size: 1 Capsule	
Servings Per Container: 30	
Amount Per 1 Capsule (Veg):	%DV
Angelica (<i>Angelica archangelica</i>) Leaf Extract (aqueous extraction)	100 mg **
**Daily Value (DV) not established.	

Other Ingredients: rice powder, hydroxypropyl methylcellulose (vegetable cellulose capsules), vegetable source magnesium stearate, silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#90813 30 Capsules

Recommendations: 1 capsule daily. When starting to use Bladder Manager it's recommended to take 1 capsule twice daily for the first two or three days, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Bladder Manager™ angelica is grown and harvested in Iceland.

Bladder Manager features a clinically studied extract from the *Angelica archangelica* leaf that contains key compounds that support the smooth muscle of the bladder, making it an ideal recommendation for men and women looking for support of bladder strength and urinary tract function.*

Health Benefits:

- Supports bladder health and urinary tract function in men and women*
- Results may also support healthy sleep by reducing nighttime waking*

What Makes Our Product Unique:

- Exclusive EuroMedica® professional strength supplement
- Contains key compounds that support the smooth muscle of the bladder*
- Clinically studied extract shown to support healthy bladder function in subgroups of participants with specific bladder and urination characteristics*
- An alternative to prostate-specific supplementation depending on a patient's requirements
- Angelica leaves are gathered in an eco-friendly manner

BosPro™

Advanced Boswellia, Healthy Inflammation Response*†

SUPPLEMENT FACTS		
Serving Size: 1 Softgel		
Servings Per Container: 60		
Amount Per 1 Softgel:		%DV
Calories	5	
Total Fat	0.5 g	< 1%†
Boswellia (<i>Boswellia serrata</i>) Gum Resin Extract (BOS-10®) standardized to contain ≥ 70% total organic and boswellic acids with AKBA ≥ 10%, with ≤ 5% beta-boswellic acids	500 mg	**

**Daily Value (DV) not established.
†Percent Daily Values (DV) are based on a 2,000 calorie diet.

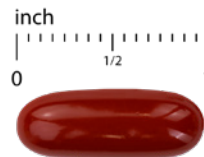

Other Ingredients: extra virgin olive oil, gelatin, glycerin, purified water, beeswax, annatto in sunflower oil (softgel color).

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#84306 60 Softgels

Recommendations: 1 softgel daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Boswellia, (*Boswellia serrata*) also known as frankincense, has been a vital component of Ayurvedic medicine for thousands of years. Leading-edge research has confirmed the effectiveness of boswellia for supporting respiratory function, digestive health, and a healthy inflammation response.*†

Health Benefits:

- Ideal for short and long-term bronchial support—without causing drowsiness or jitters*
- Excellent support for digestive function and comfort*
- Works through key pathways to support a healthy inflammation response*†
- Promotes cellular health and healthy DNA replication*
- Delivers much-needed support with no serious side effect concerns*

What Makes Our Product Unique:

- Features uniquely standardized (BOS-10®) boswellia used in clinical research studies
- Contains boswellia with naturally occurring high levels of AKBA—no spiking or artificial manipulation
- Extra strength for advanced support; up to 10 times more AKBA than unstandardized boswellia, which can have as little as one percent of this important compound
- Standardized to reduce undesirable beta-boswellic acid (BBA) content

Clinical Glutathione™

Patented, Reduced Oral Glutathione for Vital Support*

SUPPLEMENT FACTS		
Serving Size: 1 Slow Melt Tablet		
Servings Per Container: 60		
Amount Per 1 Slow Melt Tablet:	%DV	
L-Glutathione (Reduced Active Form)	150 mg	**
**Daily Value (DV) not established.		

Other Ingredients: maltitol, hydroxypropyl methylcellulose, pomegranate (*Punica granatum*) fruit extract, vanilla flavor, vegetable source magnesium stearate, stevia.

No sugar, salt, wheat, gluten, corn, soy, dairy products, artificial coloring, or artificial preservatives.

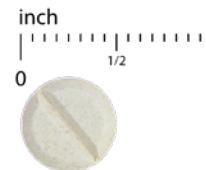

#73706 60 Slow Melt Tablets

Recommendations: 1 tablet twice daily. For additional support, may increase to 1 tablet three times daily or as recommended by your healthcare practitioner. Tablet should be held in mouth and allowed to dissolve before swallowing.

French Patent #FR2972327.

Product of France.

If pregnant or nursing, consult a healthcare practitioner before use.

Clinical Glutathione featuring Sublinthion® is a first of its kind supplement from EuroMedica®. Sublinthion is a unique, protected glutathione from France. Formulated as a slow-melt tablet and protected by a unique, patented process, it supports beneficial levels of active glutathione in the bloodstream and improves the ratio of active glutathione to oxidized glutathione in a way that other approaches can't.*

In fact, in one published human study, Clinical Glutathione with Sublinthion improved the reduced glutathione vs. oxidized glutathione blood ratios in the body by 230%.*†

Health Benefits:

- Delivers rapid results for blood level improvement of active glutathione*
- Improves blood ratios of active glutathione by 230%*†
- Protects critical cells throughout the body from the risk of oxidative damage*
- Supports nerves, cognitive health, and clear thinking*
- Helps the liver eliminate toxins*
- Preserves and protects other crucial antioxidants in the body**

What Makes Our Product Unique:

- Slow melt tablet for optimal benefits
- Backed by human research
- Exclusive, patented, protected delivery system
- More reliable than standard oral glutathione or N-acetylcysteine
- Improved glutathione ratio 65% compared to N-acetylcysteine in a clinical study

Clinical OPC®

High Absorption Grape Seed Extract VX1®

SUPPLEMENT FACTS		
Serving Size: 1 Softgel		
Servings Per Container: 60		
Amount Per 1 Softgel:		%DV
Calories	10	
Total Fat	0.5 g	< 1%†
Total Carbohydrate	< 1 g	< 1%†
French Grape (<i>Vitis vinifera</i>) Seed Extract (VX1®)	400 mg	**
standardized to contain ≥ 99% polyphenols and ≥ 80% OPCs		

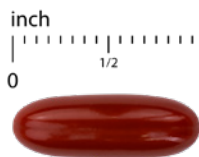

**Daily Value (DV) not established.
†Percent Daily Values (DV) are based on a 2,000 calorie diet.

Other Ingredients: olive oil, gelatin, glycerin, purified water, sunflower lecithin, beeswax, silica, and annatto in sunflower oil (softgel color).
No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#78426 60 Softgels

Recommendations: 1 softgel daily. May take up to 3 times a day for enhanced benefits, or as recommended by your healthcare professional.

If pregnant or nursing, consult a healthcare practitioner before use.

Clinical OPC is unlike many of the standard grape seed extracts your patients may have used before. This supplement delivers low-molecular-weight oligomeric proanthocyanidins (OPCs) that are readily absorbed to provide reliable benefits.*

Health Benefits:

- Heart and artery strength and function
- Healthy blood sugar levels†
- Cellular protection and immune function^
- Weight management††
- Focus and concentration
- Blood pressure and cholesterol balance*†

What Makes Our Product Unique:

- **Cellular Protection^:** The French grape seed VX1 in Clinical OPC has been shown to significantly support healthy DNA function and cellular processes in leading-edge scientific studies.*

- **Immune Function:** Research indicates that grape seed extract may help support immune defenses—important for your patients all year long.*
- **Healthy Blood Sugar†:** Supports healthy insulin function and blood sugar metabolism—a crucial factor for health for many patients.*†
- **Weight Management††:** Along with a sensible diet and exercise regimen, grape seed may support healthy abdominal weight through its effect on adiponectin, a protein responsible for regulating blood sugar levels and insulin metabolism.*†
- **Focus and Concentration:** Grape seed has been shown to support cognitive health and brain function.*
- 7 groundbreaking scientific studies

Blood Sugar

• Cardiovascular

• Metabolic Support

†Supports healthy levels already within normal range. ^Protection from oxidative stress and damage. ††In conjunction with a healthy diet and exercise regimen.
**ORAC antioxidant value based on an independent lab analysis per 100 grams of Clinical OPC grape seed. VX1® is a product of France.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

OPCs for Greater Antioxidant Activity

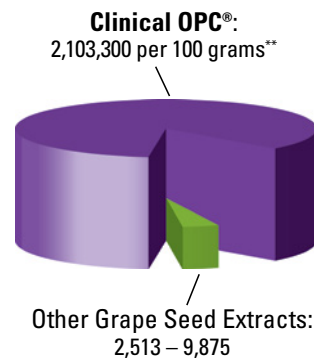

Clinical OPC supplies concentrated, low molecular weight OPC polyphenols with high absorbability. Standard grape seed extracts contain high levels of large size grape seed compounds, which are not absorbable and have few health benefits. In comparison testing versus standard extracts, French grape seed extract VX1 had higher antioxidant activity for robust support.

Higher ORAC Value

As a super-antioxidant, Clinical OPC stops free radicals that could otherwise cause oxidative damage to cells. In a comparison test to 7 other grape seed extracts, Clinical OPC had the strongest ORAC value of 2,103,300 per 100 grams!*

Antioxidant ORAC Value Per 100 Grams

Never Adulterated

Clinical OPC is not just another grape seed extract! This revolutionary product line is backed by 7 groundbreaking scientific studies for its amazing health benefits. Additionally, French grape seed extract VX1—the key ingredient in Clinical OPC—is never adulterated with cheap ingredients.

A 2015 Food Chemistry article reported that...

- In a study of 21 grape seed extracts, 15 of them were substandard.
- Six samples were adulterated with high levels of peanut skins, a top 9 allergen.

Make sure your patients are getting the best of the best by offering them Clinical OPC French grape seed extract VX1! Verified, tested, and guaranteed!

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Collagen Joint Complex

Preserve Cartilage for Strong, Flexible Joints*

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), cellulose powder, silica, vegetable source magnesium stearate. **Contains shellfish (crab, shrimp).**

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#60816 60 Capsules

Recommendations: 3 capsules daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Collagen Joint Complex is a multi-nutrient powerhouse for an active life. The five powerful nutrients included in Collagen Joint Complex support cartilage and collagen—the “shock absorbers” of the knees, ankles, lower back, and hips—for strong, flexible joints.*

Health Benefits:

- Healthy joint cartilage for strong, flexible joints throughout the body*
- Comfort and mobility in the lower back, knees, and hips*

What Makes Our Product Unique:

- The two best forms of glucosamine and chondroitin—glucosamine hydrochloride and chondroitin sulfate—deliver maximum potential for comfort and flexibility*
- Absorbable type II collagen, the same as 90 percent of the collagen in joint cartilage—a must for joint structure and strength throughout the body*
- Clinically studied hyaluronic acid complex shown to support joint comfort and mobility*
- Clinically studied BOS-10[®] boswellia (*Boswellia serrata*) uniquely standardized to deliver up to 10 times more AKBA than in unstandardized forms to support critical pathways associated with joint comfort and flexibility that even other powerful botanicals can't match*

CoQ10 Chewable

8X Higher Absorption[^]

SUPPLEMENT FACTS	
Serving Size: 1 Chewable Tablet	
Servings Per Container: 30	
Amount Per 1 Chewable Tablet: %DV	
Calories	5
Total Carbohydrate	1.5 g < 1% [†]
Total Sugars	0 g
Sugar Alcohol (xylitol)	1 g
Coenzyme Q10 (ubiquinone)	100 mg **

**Daily Value (DV) not established. †Percent Daily Values (DV) are based on a 2,000 calorie diet.

Other Ingredients: xylitol, gamma cyclodextrin, orange flavor, silica, vegetable source magnesium stearate.

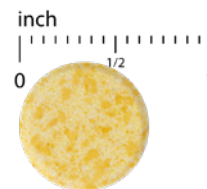

No sugar, salt, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#60843 30 Chewable Tablets

Recommendations: 1 chewable tablet daily or as recommended by your healthcare practitioner.

Contains xylitol, keep away from pets.

If pregnant or nursing, consult a healthcare practitioner before use.

Virtually every cell in the body has a microscopic engine, the mitochondria, which requires fuel. That fuel is CoQ10. CoQ10 sparks the process of moving electrons to create adenosine triphosphate (ATP), which powers the body at a microscopic level. The heart, brain, and every energy intensive aspect of the body and mind need an abundance of CoQ10 to function optimally.*

EuroMedica's CoQ10 provides a form you and your patients can trust for reliable results. It has 8 times higher absorption than traditional CoQ10 because it features our exclusive GammaSorb[®] delivery system. GammaSorb is a plant-based material that carries nutrients and makes them more easily absorbed and bioavailable for optimal benefits.*

Health Benefits:

- Supports energy production within the cells*
- Replenishes CoQ10 depleted by cholesterol-lowering statin drugs*

- Helps preserve neural connections, healthy brain function, and overall cognitive health*
- Supports gum and dental health*
- Reduces the risk of oxidative stress and supports healthy cellular energy*

What Makes Our Product Unique:

- Features GammaSorb (gamma cyclodextrin), a unique delivery system. GammaSorb is a bucket-shaped molecule that carries CoQ10 intact into the intestines where it is absorbed and dispersed into the bloodstream. Research shows that this combination enhances the absorption of CoQ10 by 8 times compared to standard CoQ10 forms.*

Cardiovascular • Cellular Health • Cognitive & Neurological • Daily Essentials • Energy • GammaSorb[®] • Metabolic Support • Nerve Function

[^]Compared to standard CoQ10.

Recommend the Most Clinically Studied, Enhanced Absorption Curcumin in the World

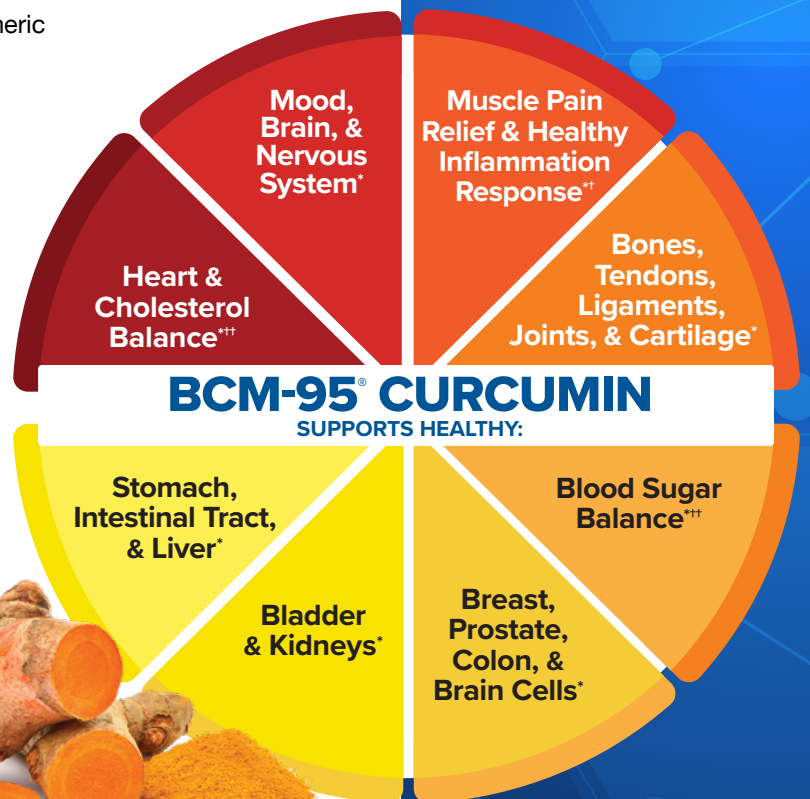

Our BCM-95® curcumin has over 90 published studies, including 43 human clinical trials.

This clinically studied curcumin is blended with turmeric essential oil in a patented process, enhancing absorption by up to 700 percent compared to standard extracts. Plus, turmeric essential oil contains ar-turmerone, which assists curcumin absorption and blood retention, and provides systemic benefits of its own.*

Why Our Curcumin?

Our curcumin delivers proven results for a wide range of patient needs. Whether you recommend Curaphen® for pain relief or CuraPro® for daily systemic support, you have proven options to build the core of an effective protocol.†

Recommend Curaphen and CuraPro today—trusted, clinically validated options for comprehensive patient support.

††Supports healthy levels already within normal range. †Occasional muscle pain or inflammation due to exercise or overuse. *These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Calories	5

Proprietary Complex	727 mg	**
DLPA (DL-phenylalanine), Boswellia (<i>Boswellia serrata</i>) Gum Resin Extract (BOS-10 [®]) standardized to contain ≥ 70% Total Organic and Boswellic Acids with AKBA ≥ 10%, with ≤ 5% beta-boswellic acids, Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95 [®] /Curcugreen [®]) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), Nattokinase		

** Daily Value not established

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), vegetable source magnesium stearate, silica. **Contains Soy** (less than 5 parts per million)

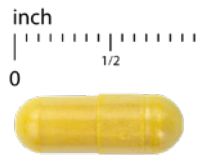

No sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, or artificial preservatives. Color variations are normal.

#60260 60 Capsules

#60220 120 Capsules

Recommendations: 1 capsule three times daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Curaphen is a professional formula for safe, effective, non-addictive pain relief.[†] This unique and proprietary formula contains a unique combination of ingredients with multiple mechanisms of action to relieve occasional muscle pain due to exercise or overuse.*

Health Benefits:

- Safe, effective, non-addictive pain relief[†]
- Joint health and comfort
- Positive mood
- Healthy inflammation response^{††}
- Perfect for occasional or ongoing supplementation

What Makes Our Product Unique:

Clinically studied curcumin and boswellia combined with synergistic nutrients:

- **BCM-95[®] curcumin** is blended with turmeric oil containing the compound, ar-turmerone, in a patented process for enhanced absorption and improved blood retention time. It can work more effectively and for a longer time than plain curcumin extracts or unstandardized turmeric. Additionally, it is the most

clinically studied, enhanced absorption curcumin in the world, with over 90 published studies and counting—so your patients are getting a proven ingredient in every dose.

- **BOS-10[®] boswellia** is clinically studied, plus it is standardized to higher levels of AKBA (acetyl-11-keto-B-boswellic acid), the botanical's key compound for pain relief.^{††} Unstandardized boswellia can have as little as one percent AKBA. Additionally, the beta boswellic acid content is reduced to less than 5 percent, yielding a more powerful supplement.
- **DLPA and Nattokinase** to support healthy endorphin/enkephalin activity and healthy circulation, addressing pain relief, mood, and the ability of these nutrients to get where they are needed most.^{††}

#61206 60 Tablets

#61202 120 Tablets

Recommendations: 1 tablet daily. May take 1 tablet three times daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

When your patients need even stronger relief from occasional pain, Curaphen Extra Strength is the safe, effective choice.^{††} Curaphen Extra Strength features higher levels of effective ingredients in a larger, more concentrated dosage than regular strength Curaphen. Available in tablet form and only 1-3 tablets per day dosage, Curaphen Extra Strength is a great option for patients who want higher levels of BCM-95[®] curcumin and BOS-10[®] boswellia in fewer tablets.

Health Benefits:

- Safe, effective, non-addictive pain relief[†]
- Joint health and comfort
- Positive mood
- Healthy inflammation response^{††}
- Perfect for occasional or ongoing supplementation

What Makes Our Product Unique:

- Higher levels of targeted ingredients in a larger, more concentrated form than regular strength Curaphen
- Convenient 1-3 tablets per day dosage for pain relief^{††}

Clinically studied curcumin and boswellia combined with synergistic nutrients:

- **BCM-95 curcumin** is blended with turmeric oil containing the compound, *ar-turmerone*, in a patented process for enhanced absorption and improved blood retention time. It can work more effectively and for a longer time than plain curcumin extracts or unstandardized turmeric. Additionally, it is the most clinically studied, enhanced absorption curcumin in the world, with over 90 published studies and counting—so your patients are getting a proven ingredient in every dose.
- **BOS-10 boswellia** is clinically studied, *plus* it is standardized to higher levels of AKBA (acetyl-11-

keto-B-boswellic acid), the botanical's key compound for pain relief.*† Unstandardized boswellia can have as little as one percent AKBA. Additionally, the beta boswellic acid content is reduced to less than 5 percent, yielding a more powerful supplement.

- **DLPA and Nattokinase** to support healthy endorphin/enkephalin activity and healthy circulation, addressing pain relief, mood, and the ability of these nutrients to get where they are needed most.*†

Pain-Relieving Results Your Patients Will Love*†

Various clinical studies have found benefits for occasional pain with BCM-95® curcumin alone or combined with our BOS-10® boswellia has shown support for mobility, comfort, and walking distance—all without serious side effects—which can't be said for many conventional approaches.*†

One clinical study in particular found that BCM-95 curcumin combined with BOS-10 boswellia supported pain relief in 64 percent of those taking the herbal ingredients versus 29 percent using a conventional intervention. That's an incredible difference—and one that many of your patients will appreciate—especially those looking for a safe option for their occasional pain.*†

CuraPro® (375 mg Curcumin Complex)

Features a minimum of 250 mg of curcuminoids per softgel

SUPPLEMENT FACTS	
Serving Size: 1 Softgel	
Servings Per Container: 60	
Amount Per 1 Softgel:	
Calories	5
Proprietary Complex	375 mg **
Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95®/Curcugreen®) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), phospholipids (from sunflower lecithin), supplying 250 mg of curcuminoids	
**Daily Value (DV) not established.	

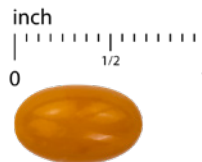

Other Ingredients: medium chain triglycerides, gelatin, glycerin, beeswax, purified water, turmeric in sunflower oil (softgel color), silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives. Color variations are normal. Grown without chemicals.

#90206 60 Softgels

Recommendations: 1 softgel daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

CuraPro 375 mg provides clinically studied curcumin combined with turmeric essential oil for enhanced absorption and blood retention at levels that matter. This high-potency formula, featuring clinically studied, enhanced absorption BCM-95® curcumin, yields a minimum of 250 mg of curcuminoids per softgel.

Health Benefits:

- Muscle pain relief and healthy inflammation response[†]
- Mood, cognitive health, and nervous system support
- Bones, tendons, ligaments, joints, and cartilage support
- Stomach, intestinal tract, and liver support
- Bladder, kidney, and urinary tract health
- Breast, colon, prostate, and brain support
- Blood sugar balance^{††}
- Protection from free radicals and the risk of oxidative stress*

OVER 90 PUBLISHED STUDIES

What Makes Our Product Unique:

- 500 times more powerful than turmeric[^]
- The most clinically studied, enhanced absorption curcumin in the world—results verified in more than 90 PUBLISHED STUDIES, INCLUDING OVER 43 HUMAN CLINICAL TRIALS
- Antioxidant power > 1,500,000^{**}
- BCM-95 curcumin features a patent-protected method using curcumin blended with turmeric essential oil containing ar-turmerone to boost absorption and enhance results
- Small, easy to swallow softgel

Are Your Patients Really Getting the Most Effective Curcumin?

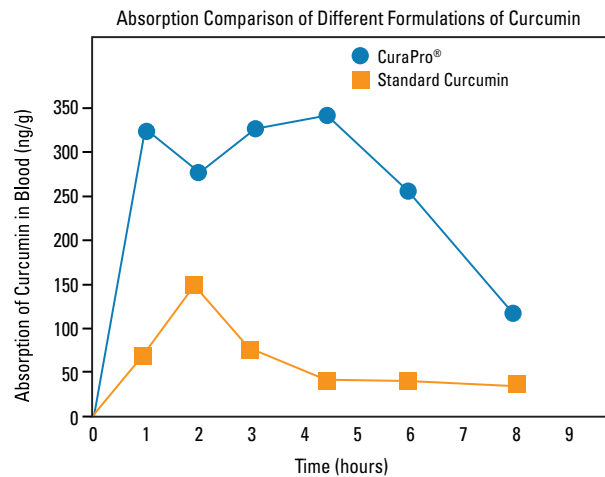

There are many curcumin and turmeric supplements available; your patients may already have selected one on their own. But label and dosage levels can be confusing for many people, and what looks good initially may not be the most effective. You can guide and encourage your patients to select the most effective curcumin supplement, CuraPro®, compared to popular forms shown in this table.

CuraPro®: Comparison to Other Forms

	Curcuminoids per dose*	Absorption enhanced potential curcuminoid equivalence	Curcuminoid content labeled	Absorption enhancement
CuraPro (BCM-95® curcumin)	500 mg of 500 mg (100% claimed curcuminoid content)	7X times 500 mg = minimum 3,500 mg	Always	Turmeric essential oil, a source of scientifically studied aromatic turmerones
Curcumin/sunflower lecithin complex	100 mg of 500 mg (20% curcumin content)	29X times 100 mg = 2,900 mg	Varies	Lecithin and microcrystalline cellulose
Water dispersible/nanotech curcumin	50 mg of 500 mg (10% curcumin content)	27X times 50 mg = 1,350 mg	Varies	Nanotechnology (artificially reducing molecular size to nanoparticles)
Turmeric	10-25 mg of 500 mg (2-5% content)	1X times 10 to 25 mg = 10-25 mg	Not often	None

The Bottom Line: Dosage levels, absorption, and patient compliance are key factors for the success of any patient protocol. CuraPro makes it simple. In many published clinical studies, the effective dosage was 1,000 mg daily—just two doses of CuraPro 750 Curcumin Complex.

Published Human Crossover Study to Evaluate Absorption of CuraPro

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#82143 30 Capsules

Recommendations: 1 capsule daily with food. May increase to 1 capsule twice daily, or as recommended by your healthcare practitioner.

BR-DIM® is a registered trademark of and is licensed from BioResponse, LLC, Boulder, CO.

If pregnant or nursing, consult a healthcare practitioner before use.

With its exclusive combination of ingredients, DIM + Curcumin delivers the outstanding support for healthy hormone balance and overall well-being your male and female patients have been looking for.**

Health Benefits:

- Healthy hormone detoxification and liver function*
- PMS, perimenopause, and menopause symptom relief*
- Healthy forms of testosterone for muscle development and prostate function*
- Healthy metabolism and weight management**††

What Makes Our Product Unique:

Three highly effective ingredients in just one formula:

- **BR-DIM®:** Clinically studied diindolylmethane—600% better absorbed than standard DIM. In **women**, DIM eases mood swings, cramping, and other symptoms of PMS, perimenopause, and menopause. In **men**, DIM helps maintain healthy forms of testosterone to support muscle development and prostate function.*

- **BCM-95® curcumin** is the most clinically studied, enhanced absorption curcumin in the world with more than 90 published studies, of which over 43 are human clinical trials. It supports healthy liver function to help effectively eliminate toxins that mimic estrogen and contribute to estrogen dominance, and offers powerful cellular protection from the risk of oxidative damage.*
- **French grape seed extract VX1®** is a scientifically studied extract that supports healthy hormone balance†, aromatase levels†, weight management††, and healthy mood.*

Other Ingredients: microcrystalline cellulose, maltodextrin, hydroxypropyl cellulose, citric acid, croscarmellose sodium, silica, food starch-modified, vegetable source stearic acid, glycerol monostearate, hydroxypropyl methylcellulose, dicalcium phosphate, vegetable source magnesium stearate, glycine.

No sugar, salt, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives. Color variations are normal.

#67006 60 Tablets

With Essential Multivitamin, your patients can choose the one formula that provides the essential nutrients—and the best forms of those nutrients—for everyone in their family, from ages 12 and up in this easy to swallow tablet with no “vitamin” after taste or smell.

Health Benefits:

- Vibrant energy, mood, and mental and physical stamina*
- Healthy immune system response*
- Supports bone, collagen, and joint structure*
- Heart, arteries, and overall cardiovascular health*
- Antioxidant defense and healthy DNA replication*
- Healthy metabolism and nerve function*

What Makes Our Product Unique:

The nutrients in Essential Multivitamin are bioavailable, readily utilized by the body, and are gentle on the stomach. They include:

- **Bioactive B vitamins:** Many people—by some estimates, up to 30% of the population—have difficulty converting B vitamins to their active forms. This means they derive less benefit regardless of the dose. That’s why Essential Multivitamin includes vitamin B6, B12, and folic acid in their active forms: P-5-P, methylcobalamin, and L-methylfolate. They don’t require conversion by the liver, so even individuals with liver issues or other reasons for poor conversion will benefit. This formula provides the levels of B vitamins needed by everyone, including women who are pregnant or nursing.

MenaQ7® is a trademark of NattoPharma ASA, Norway.

If pregnant or nursing, consult a healthcare practitioner before use.

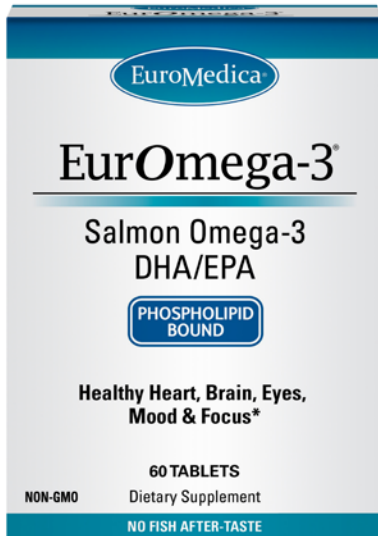

- **Easily absorbed chelated trace minerals:** We all need minerals, but we need to absorb them, too. To ensure you benefit from these essential nutrients, Essential Multivitamin uses minerals bound to amino acids to create an organic molecule the body can easily use.
- **Vitamin D3:** This daily required “sunshine vitamin” is delivered in the form the body prefers and uses best.
- **Vitamin E** from a mixed tocopherol complex: The complete family of tocopherols (alpha, beta, delta, and gamma) are included in this formula the way nature intended.
- **Ginger:** This botanical ingredient supports overall health and helps make this supplement gentle on the stomach.*

EurOmega-3[®]

Salmon Omega-3 DHA/EPA, phospholipids, and peptides

SUPPLEMENT FACTS		
Serving Size: 2 Tablets		
Servings Per Container: 30		
Amount Per 2 Tablets:		%DV
Omega-3 Phospholipid Peptide Complex	584 mg	**
Featuring Phospholipids, Omega-3 [DHA (docosahexaenoic acid) and EPA (eicosapentaenoic acid)] and bioactive peptides extracted from Atlantic Salmon (<i>Salmo salar</i>), in a balanced ratio as found in salmon; not chemically altered or artificially spiked with DHA/EPA		
**Daily Value (DV) not established.		

Other Ingredients: microcrystalline cellulose, tricalcium phosphate, gum arabic, silica, hydroxypropyl methylcellulose, citrus (*Citrus limon*) essential oil, vegetable source stearic acid.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#69996 60 Tablets

Recommendations: Adults: 1-2 tablets daily.
Children (6 years old and up): 1 tablet daily.
May increase as recommended by your healthcare practitioner.

Heavy metal analysis conducted on every batch using ICP-MS method.

Product of France.

EurOmega-3 is not a fish oil, but a revolutionary supplement sourced from salmon that delivers bioidentical DHA/EPA omega-3 fatty acids, phospholipids, and peptides. Unmatched by fish oils, and at a two-per-day dose, EurOmega-3 provides a convenient source of critical nutrients for your patients.

Health Benefits:

- Nourishes the heart, arteries, and entire cardiovascular system*
- Cognitive, mood, and broad-spectrum brain support*
- Nerve structure and signaling*
- Healthy cholesterol balance**^

What Makes Our Product Unique:

- The *only* omega-3 supplement bound to phospholipids, with fish peptides
- Exclusively from North Atlantic Salmon, a premium source offering DHA/EPA
- Bound to naturally occurring phospholipids for better absorption and enhanced benefits
- Contains no problematic triglycerides, unlike fish oils
- Stable delivery, not an oil
- Never chemically altered or artificially spiked
- Water and enzyme extraction—no excessive heat that damages the omega-3s
- No fish burps
- Just two tablets daily

EurOmega-3®: An Ultimate Way to Get Your Omega-3s

When EPA or DHA is located in the sn-2 position on the carrier chain, better cellular uptake and utilization have been reported than when found in the sn-1,3 positions. Since EurOmega-3® is not subjected to harsh processing methods, the omega-3 fatty acids remain in their original positions on the carbon chain (sn-2), which is bioidentical to the positioning of omega-3 fatty acids in the body. This allows for a perfect match with how the body utilizes these important compounds.

Heartburn Relief^{**†}

For Acid Indigestion^{**†}

SUPPLEMENT FACTS		
Serving Size: 1 Softgel		
Servings Per Container: 30		
Amount Per 1 Softgel:		%DV
Proprietary Complex	600 mg	**
D-limonene from Orange (<i>Citrus sinensis</i>) Peel Oil, Sea Buckthorn (<i>Hippophae rhamnoides</i>) Berry Oil via supercritical CO ₂ extraction		

**Daily Value (DV) not established.

Other Ingredients: gelatin, glycerin, purified water, rosemary extract.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#70273 30 Softgels

Recommendations: 1 softgel twice daily, or as recommended by your healthcare practitioner. Results improve with continued use.

If pregnant or nursing, consult a healthcare practitioner before use.

Heartburn Relief features two powerful botanicals that work with the body to soothe and support the entire digestive system for lasting comfort.^{**†}

Health Benefits:

- Soothing relief of occasional heartburn, acid indigestion, and upset stomach*
- Supports healthy esophagus and intestinal lining*
- Synergistic combination of citrus d-limonene and sea buckthorn oil
- Long-lasting results with continued use

What Makes Our Product Unique:

Two safe and effective botanical ingredients for one purpose: soothing comfort and occasional heartburn relief.^{**†}

- **D-limonene** is a clinically studied component of citrus oil found in oranges, grapefruits, lemons, and limes. Although citrus fruits are typically associated with acidity, this compound of citrus oil actually relieves occasional heartburn and indigestion. It supports healthy peristalsis—the muscle action of the intestines that moves food through the digestive system.*
- **Sea Buckthorn** (*Hippophae rhamnoides*) has been used for over 1,000 years. The fruit of this plant delivers flavonoids, vitamins, and other beneficial compounds, while the seeds contain exceptionally high levels of omega fatty acids, including omega-7 fatty acid (palmitoleic acid). This supercritical CO₂ extract of sea buckthorn contains beneficial compounds to support the gastric mucosa—the lining of stomach and intestines—and overall digestive health.*

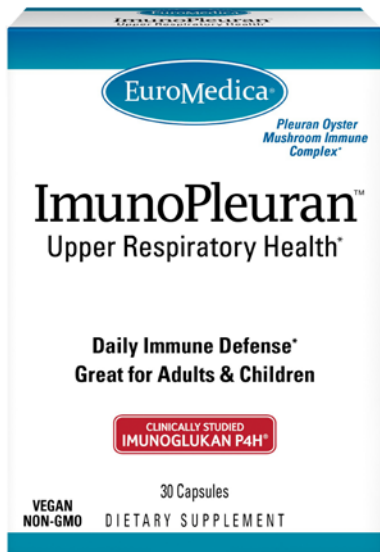

Gastrointestinal

[†]Lasting relief from occasional heartburn and acid indigestion.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

active polysaccharide complex providing Beta-1,3/1,6-D-Glucan Pleuran isolated from Oyster Mushroom (<i>Pleurotus ostreatus</i>)		
**Daily Value (DV) not established.		
†Percent Daily Values (DV) are based on a 2,000 calorie diet.		

Other Ingredients: microcrystalline cellulose, hydroxypropyl methylcellulose (vegetable cellulose capsules), vegetable source magnesium stearate, silica.

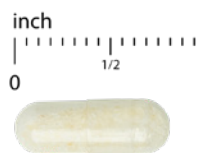

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#61633 30 Capsules

Recommendations: Adults: 1 capsule daily. May increase to 1 capsule twice daily. **Children (4 years and older):** 1 capsule daily. Take in morning on an empty stomach.

Consult a healthcare practitioner prior to use if you are pregnant, nursing, or undergoing immunosuppressive treatment. Do not use if you have had an organ transplant.

Imunoglukan P4H® is a registered trademark of Pleuran, s.r.o. Bratislava, Slovakia.

Clinically Studied and Validated

This is the first time that the clinically studied and validated oyster mushroom pleuran is available in the United States. This oyster mushroom pleuran has 25 years of research and 40 published studies.

Health Benefits:

- For ages 4 & up
- Promotes natural resistance
- Supports upper respiratory function*
- Clinically studied Imunoglukan P4H®
- Sourced from oyster mushrooms
- Includes synergistic vitamin C

What Makes Our Product Unique:

- Concentrated source of bioactive pleuran for outstanding immune support*
- Backed by multiple clinical studies & real-world validation
- Safe and effective for ages 4 and up
- Powerful & proven mushroom defense*

#70033 30 Chewable Tablets

Clinically Studied and Validated for Children and Adults

ImunoPleuran Upper Respiratory Health Chewable is unique. This is the first time its featured ingredient, clinically validated Imunoglukan P4H® oyster mushroom pleuran, has been available in the United States—exclusively from EuroMedica®. This bioactive compound is supported by 25 years of intensive research and 40 published studies.*

Health Benefits:

- Supports upper respiratory function
- Promotes natural resistance
- Includes vitamin C for synergistic immune benefits*

What Makes Our Product Unique:

ImunoPleuran Upper Respiratory Health Chewable features clinically studied Imunoglukan P4H® pleuran, a unique bioactive compound found only in oyster mushrooms. This European favorite for intensive, daily support is now available in a chewable tablet for adults and children.*

- Convenient chewable tablet
- Concentrated source of bioactive pleuran for outstanding immune support*
- Sourced from oyster mushrooms
- Backed by multiple clinical studies & real-world validation
- Safe and effective for ages 4 & up
- Over 25 years of research
- 40 published studies

Magnesium + P-5-P

Magnesium, Zinc, and BioActive Vitamin B6

SUPPLEMENT FACTS		
Serving Size: 1 Capsule		
Servings Per Container: 60		
Amount Per 1 Capsule (Veg):		%DV
Vitamin B6 (as pyridoxal-5-phosphate)	10 mg	588%
Magnesium (from magnesium bisglycinate chelate)	100 mg	24%
Zinc (from TRAACS™ zinc bisglycinate chelate)	5 mg	45%

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), cellulose powder, vegetable source magnesium stearate, silica, citric acid.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

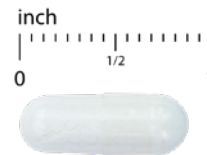

#76106 60 Capsules

Recommendations: Adults: 1 capsule, may be taken up to 4 times daily.

Children (6 years old and up): 1 capsule per day, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

TRAACS™ is a trademark of Albion Laboratories, Inc.

Although it seems like a common nutrient, magnesium might not be as abundant at effective levels through diet alone. Farming practices, mineral depletion in the soil, and inadequate intake from food means that it could be in short supply in your patients' diets and regimens.

Additionally, finding a supplemental form that absorbs well, is backed by synergistic nutrients, and is easy on the stomach may be a challenge, too. Magnesium + P-5-P changes that.

In Magnesium + P-5-P, the bisglycinate chelate form of magnesium along with the bioactive P-5-P form of vitamin B6 and readily utilized chelated zinc, delivers the benefits your patients can rely on.

Health Benefits:

- Healthy heart and cardiovascular function
- Tendon, ligament, and cartilage strength
- Healthy blood pressure levels†
- Healthy nervous system function in adults & children
- Relief of occasional muscle cramps
- Mood and emotional support*

What Makes Our Product Unique:

- Easy on the stomach form of magnesium
- Nutrients easily utilized by the body: magnesium bisglycinate chelate, TRAACS™ zinc bisglycinate chelate, and vitamin B6 in the pyridoxal-5-phosphate (P-5-P) form
- Vitamin B6 as P-5-P requires no conversion by the liver, which may affect the viability and effectiveness of other forms of the nutrient in up to 30 percent of your patients

Melatonin

Healthy Immune Function*

SUPPLEMENT FACTS	
Serving Size: 1 Tablet	Servings Per Container: 60
Amount Per 1 Tablet:	%DV
Melatonin (EP120™)	10 mg **
**Daily Value (DV) not established	

Other Ingredients: sucrose, microcrystalline cellulose, hydroxypropyl methylcellulose, vegetable source stearic acid, maltodextrin, silica, vegetable source magnesium stearate.

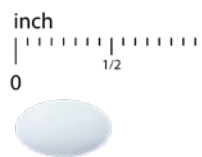

No salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#61946 60 Sustained Release Tablets

Recommendations: 1 tablet, 1-2 hours before bedtime, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

May cause drowsiness. Do not take when operating machinery or driving a vehicle.

While many of your patients may only associate melatonin with getting a good night's sleep, it supports much more than that. You can remind your patients that melatonin and melatonin receptors are present in virtually every cell in the body, making it intricately involved with supporting healthy immune system function, healthy cellular replication, and virtually every aspect of overall well-being and vitality.*

Health Benefits:

- Strong immune support, including the innate and acquired immune system, T-helper cell activity, and cytokine balance*
- Healthy inflammation response**
- Antioxidant protection from the risk of oxidative damage and support of healthy DNA replication*
- Healthy mood and cognitive function*
- Deep, sound restorative sleep—helping set sleep cycles and synchronize the health of every cell in the body**††
- Overall well-being, including support for healthy vision, gastrointestinal function, healthy blood sugar balance, and healthy aging**^

What Makes Our Product Unique:

- Restorative supplemental dosage level: While melatonin is already produced by the body, over time these levels can become depleted. This supplement helps your patients keep the balance in their favor with a dosage that has multiple benefits*
- Sustained release: Your patients can count on a consistent level of melatonin overnight, every night

Menopause Support*

Clinical Strength • Clinically Studied Black Cohosh and Rhodiola

SUPPLEMENT FACTS

Serving Size: 2 Capsules
Servings Per Container: 30

Amount Per 2 Capsules (Veg):	%DV
Proprietary Complex	413 mg **
Rhodiola (<i>Rhodiola rosea</i>) Root Extract (EPR-7™) standardized to contain ≥ 3% rosavins and ≥ 1% salidroside, Black Cohosh (<i>Cimicifuga racemosa</i>) Rhizome Extract (EP40™)	

**Daily Value (DV) not established.

Other Ingredients: rice bran extract, hydroxypropyl methylcellulose (vegetable cellulose capsules), maltodextrin, silica.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#66416 60 Capsules

Recommendations: 1 capsule daily. For optimal support, may take 2 capsules daily or as recommended by your healthcare practitioner. Some women will experience relief in a short period of time, others may require a full 12 weeks for optimal results.*

If pregnant or nursing, consult a healthcare practitioner before use.

Effective, Safe, and Consistent Symptom Relief*

Menopause Support is a welcome alternative to Hormone Replacement Therapy (HRT) for patients who experience menopausal symptoms and want effective and safe relief. This clinically studied combination of rhodiola and black cohosh has been shown to reduce menopause symptoms by 71%.†

Health Benefits:

- Relieves hot flashes
- Helps stop night sweats
- Reduces occasional restless sleep
- Reduces irritability
- Supports balanced mood and positive outlook
- Relieves stress[^]
- Reduces fatigue[^]
- Enhances libido and daily energy*

What Makes Our Product Unique:

- **Standout premium ingredients:** The combination of Black Cohosh EP40™ and Rhodiola EPR-7™ in Menopause Support was shown in a clinical trial to deliver more powerful relief than black cohosh alone—even for the most challenging menopause symptoms.*
- **Black Cohosh EP40:** The dosage of black cohosh in Menopause Support is the same clinically studied dosage validated by European research. It includes a full spectrum of phytonutrients that are responsible for consistent, safe, and effective menopause symptom relief.*
- **Rhodiola EPR-7:** The clinically studied rhodiola in Menopause Support is standardized to provide rosavins and salidroside, the herb's most beneficial compounds.*

Energy • Sleep Support • Stress Response • Women's Health

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#87209 90 Tablets

Recommendations: 1-2 tablets up to three times daily before each meal to support optimal digestion. 1-2 tablets up to three times daily between meals to relieve occasional muscle pain and inflammation due to exercise or overuse, or as recommended by your healthcare practitioner.*

If pregnant or nursing, consult a healthcare practitioner before use.

Enzymes are essential to our health because even with the best diets, nutrients from healthy foods must be absorbed in order to be useful. Multi-Action Digestive Enzymes provides your patients with an ideal combination for digestive and systemic support. It delivers undiluted, 10X pancreatic enzymes that mirror our own, plus plant enzymes for maximum efficacy, health benefits, and a full range of activity in the body.*

Health Benefits:

- Breaks down proteins, carbohydrates, and fats
- Delivers 10X pancreatic enzymes
- Alleviates occasional gas and feelings of fullness
- Taken between meals, relieves occasional muscle pain and supports exercise recovery†

What Makes Our Product Unique

Pancreatin 10X: Undiluted, delivering 10 times the standard protease, amylase, and lipase activity so your patients get the most from their meals. When taken in between meals, pancreatic enzymes are also shown to support pain relief, overall muscle recovery, and systemic health.*†

Papain from papaya and **bromelain** from pineapple are enzymes that do double duty for both healthy digestion and occasional muscle soreness.*†

Trypsin and **chymotrypsin** digest and convert proteins into beneficial peptides and amino acids to help build muscle, brain, and nerve tissue, support healthy metabolism, and promote mental and physical well-being.*

Detox • Cognitive & Neurological • Gastrointestinal • Nerve Function • Pain

†Occasional muscle pain due to exercise or overuse.

#84206 60 Capsules

#84202 120 Capsules

Nerve Complex delivers a powerful combination of nutrients that support proper blood circulation, blood sugar metabolism, and overall healthy nerve function.**

Health Benefits:

- Healthy nerve structure and response, especially in the feet and hands*
- Blood circulation throughout the body*
- Proper insulin response and healthy tissue formation and maintenance*
- Healthy blood sugar and carbohydrate metabolism*†
- Protection against the risk of oxidative damage to nerve tissue*

What Makes Our Product Unique:

Superior nutrients for nerve support:*

- **Bioactive B vitamins:** Vitamin B6 as P-5-P and vitamin B12 as methylcobalamin: readily bioavailable forms that require no conversion in the liver
- **Bisglycinate chromium and zinc:** These minerals are included in bisglycinate chelate forms for efficient absorption and enhanced efficacy
- **Alpha lipoic acid:** This nutrient is well known for its support of healthy blood sugar levels and nerve health*†
- **BOS-10® boswellia:** Uniquely standardized to deliver increased levels of the key compound, AKBA (acetyl-11-keto-beta-boswellic acid) for a difference your patients can feel

Blood Sugar • Metabolic Support • Musculoskeletal • Nerve Function • Pain

- Combines HRG80 red ginseng with GammaSorb, a delivery system which has been shown to increase the absorption of certain hard to absorb (fat soluble) dietary ingredients.

Clinically Studied HRG80 Red Ginseng: The Critical Difference for Your Patients

HRG80 red ginseng is different than conventionally cultivated ginseng. It is hydroponically grown and carefully tended in ideal conditions without pesticides, toxins, or

Cellular Health • Cognitive & Neurological • Energy • Stress Response

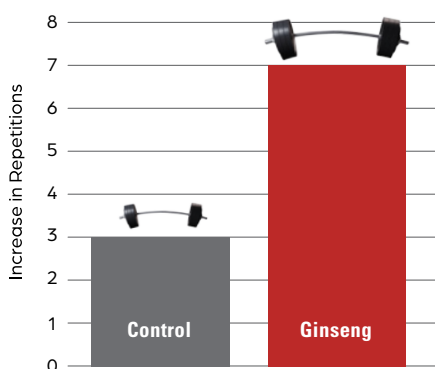

^{††} 17 times more noble (rare) ginsenosides versus standard ginseng extracts. [^] Occasional stress. ^{**^} Supports healthy levels already within normal range. ^{†††} Compared to classic ginsenosides in an in-vitro (Caco-2) study. [‡] GammaSorb has been shown to increase the absorption of certain hard to absorb (fat soluble) dietary ingredients. ^{*} These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

exposure to harsh solvents. It is stressed periodically at strategic intervals to stimulate the creation of higher levels of rare noble ginsenosides. For your patients, this reliable benefits for incredibly physical and mental well-being.*

Improves Stamina and Physical Performance, Relieves Occasional Muscle Soreness*

In one clinical study, 20 members of the Armenian national weightlifting team, including Olympic athletes, performed intense resistance exercises, including pushups on uneven

PERFORMANCE IMPROVEMENT BARBELL SQUATS

HRG80 RED GINSENG ENERGY more than **DOUBLED** the performance improvement versus control!

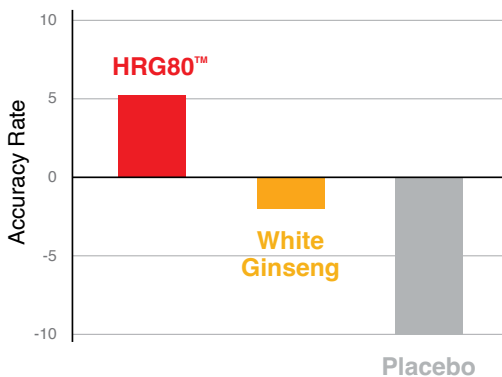

bars and barbell squats. Participants took either two Red Ginseng Energy capsules (400 mg daily dose), or one Red Ginseng Energy chewable tablet (100 mg dose with gamma cyclodextrin). Both forms of the supplement showed significant support of muscular performance and post-exercise fatigue, although it appeared that the addition of GammaSorb® allowed participants to experience similar benefits compared to the capsule form, but in a smaller dose. However, regardless of the form of the supplement, in only seven days athletes more than doubled their performance level compared to their baseline scores.*

Reduces Stress, Improves Attention to Detail**

In a clinical study, HRG80™ red ginseng was compared to a leading white ginseng supplement in Europe and a placebo, and it significantly improved focus for people in stressful occupations. In fact, these positive results started on the first day, and noticeably improved more by day five. Plus, HRG80 red ginseng continued its support into the

afternoon hours, while the leading white ginseng's power began to fade.*

Change in Attention Score (Error Rate) Day 12

HRG80 improved accuracy rate test scores for people in stressful occupations.*

Vitality, Clarity, and Stamina: Up to 72% Improvement**

Another clinical study conducted by energy expert Dr. Jacob Teitelbaum, reported that of the 60% of participants who experienced significant benefits in an open label clinical study, HRG80 red ginseng supported a variety of health factors, including:

- **67% Increased energy**
- **48% Better mental clarity**
- **46% Sleep improvement**
- **72% More stamina***

Like the weightlifting study, participants took either two Red Ginseng Energy capsules or Red Ginseng Energy Chewable tablets with GammaSorb. While both forms delivered energy benefits, here again, the chewable with GammaSorb appeared to work as effectively, but at a smaller dosage.

In some ways, that's not surprising, considering GammaSorb has been shown to increase the absorption of certain hard to absorb (fat soluble) dietary ingredients. And that makes Red Ginseng Energy Chewable the perfect form for patients who want a simple and convenient way to stay resilient and energized in the face of busy schedules, intense activity, and challenging days.*

**In the subset of participants who reported feeling better or much better after one month of product use. *These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Saffron Mood Support*

Positive Mood & Emotional Balance*

SUPPLEMENT FACTS		
Serving Size: 1 Capsule		
Servings Per Container: 60		
Amount Per 1 Capsule (Veg):		%DV
Curcumin (<i>Curcuma longa</i>)	250 mg	**
Rhizome Extract (BCM-95®/Curcugreen®) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), supplying 215 mg of curcuminoids		
Saffron (<i>Crocus sativus</i>)	15 mg	**
Stigma Extract (EP15™)		

**Daily Value (DV) not established.

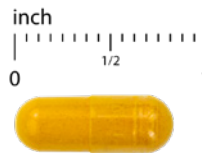

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), maltodextrin, vegetable source magnesium stearate, silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#68546 60 Capsules

Recommendations: 1 capsule twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

This formula combines clinical strength Saffron EP15™ with clinically studied BCM-95® curcumin to help support a positive mood, emotional balance, and mental resilience for overall well-being.*

In clinical research, Saffron EP15 showed dramatic support for mental well-being, with double the improvement in mood as measured using a standardized rating scale.*

Our clinically studied BCM-95 curcumin is standardized for a full spectrum of curcuminoids and is combined with turmeric essential oil for enhanced absorption and blood retention. It is well-known for its ability to enhance mental well-being and mood.*

Health Benefits:

- Positive state of mind
- Healthy stress response^
- Restful sleep
- Healthy serotonin, cortisol, & GABA levels†

What Makes Our Product Unique:

- Delivers the clinically studied power of two of nature's most reliable and trusted botanicals, saffron and curcumin, at clinically validated levels.
- Saffron EP15 is clinically studied and works along unique pathways to support emotional balance and peace of mind.*
- BCM-95 curcumin is standardized for a full spectrum of curcuminoids and is combined with turmeric essential oil for enhanced absorption and blood retention. It is clinically studied for its ability to enhance mental well-being and mood.*

Silica-20™

Silica for Healthy Bone Density*

SUPPLEMENT FACTS		
Serving Size: 2 Tablets		
Servings Per Container: 30		
Amount Per 2 Tablets:		%DV
Vitamin D3 (cholecalciferol)	5 mcg (200 IU)	25%
Horsetail (<i>Equisetum arvense</i>) Aerial Extract standardized to 20 mg of silica , with naturally occurring flavonoids	800 mg	**

**Daily Value (DV) not established.

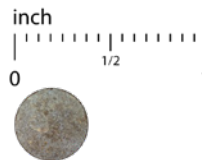

Other Ingredients: tricalcium phosphate, magnesium hydroxide, silicon dioxide, sunflower oil, vegetable source magnesium stearate, coating (hydroxypropyl methylcellulose, vegetable source stearic acid, microcrystalline cellulose), mineral sea water extract, maltodextrin, arabic gum.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#71406 60 Tablets

Recommendations: 1-2 tablets twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use. Product of France.

Although calcium gets the most attention, healthy bones need silica, too. But most importantly, it must be in a form that is best utilized by the body. Silica-20 is the right choice. It provides silica gently extracted from horsetail (*Equisetum arvense*) blended with trace minerals from the sea and healthy lipids to enhance absorption.*

Health Benefits:

- Supports healthy bone structure and density*
- Supports bone mineralization and boosts absorption of calcium into the bone by up to 50%*†
- Helps bones retain calcium longer—by an average of 50% or more*†
- Helps the body maintain collagen framework for healthy bones, boosting collagen production by up to 50%*†
- Because of assisting in collagen production, Silica-20 also supports healthy skin, hair and nails*

What Makes Our Product Unique:

- Proprietary extraction method that filters out harsh, unnecessary compounds but preserves silica and beneficial flavonoids from *Equisetum arvense*
- Clinically researched to deliver results:
- A randomized, double-blind, placebo-controlled study of 65 women over the span of 12 months revealed that Silica-20 supported bone health and strength*
- Another study found that in 80 percent of participants, significant indicators of bone health support were evident after 15 days of use, and further gains were measurable after 6 weeks of use*

Sinutol™ Extra Strength

Supports Sinus Cavities and Soothes Mucous Membranes* • Enteric Coated

SUPPLEMENT FACTS	
Serving Size: 1 Enteric-Coated Softgel	
Servings Per Container: 30	
Amount Per 1 Softgel:	%DV
Calories	5
Double Strength Proprietary Formula	325 mg **
Containing Eucalyptus (<i>Eucalyptus radiata</i>) Leaf and Stem Oil with ≥60% 1,8 cineole, 7-14% alpha terpineol, <8% alpha pinene, and <12% limonene, Myrtle (<i>Myrtus communis</i>) Leaf Oil containing 18-33% alpha pinene, 25-35% 1,8 cineole and 9-15% limonene, Lemon (<i>Citrus limon</i>) Zest Oil	

**Daily Value (DV) not established.
Other Ingredients: extra virgin olive oil, gelatin, glycerin, enteric coating (ethylcellulose, sodium alginate, ammonium hydroxide, medium chain triglycerides, oleic acid, stearic acid), purified water.

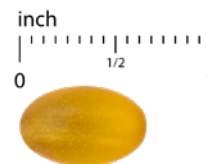

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#82503 30 Enteric-Coated Softgels

Recommendations: 1 enteric-coated softgel, up to 3 times daily or as recommended by your healthcare practitioner.

DO NOT CHEW.

If pregnant or nursing, consult a healthcare practitioner before use.

Sinutol Extra Strength provides the soothing power of eucalyptus, myrtle, and lemon extract for sinus and immune support without drowsiness or jitters, and the enteric-coated softgel means no burping or strong aftertaste for your patients.*

Health Benefits:

- Supports healthy, clear sinus passages and respiratory comfort*
- Promotes healthy sinus cilia activity to brush mucus out of the sinus and nasal cavities*
- Does not cause drowsiness, jitteriness, or nasal dryness

What Makes Our Product Unique:

- Enteric-coated softgel—no burping or aftertaste
- Safe and effective results your patients will notice
- Three powerful herbs working together:
 - Refreshing eucalyptus** (*Eucalyptus radiata*) provides powerful compounds, including alpha pinene, and 1,8 cineole. It has long been studied and shown to support healthy, clear sinus passages.*
 - Strong myrtle** (*Myrtus communis*) supports a healthy respiratory environment and, like eucalyptus, also provides alpha pinene and 1,8 cineole.*
 - Powerful lemon** (*Citrus limon*) provides additional sinus and immune support.*

Strontium

Essential For Healthy Bone Density*

SUPPLEMENT FACTS

Serving Size: 2 Capsules
Servings Per Container: 30

Amount Per 2 Capsules (Veg):	%DV
------------------------------	-----

Strontium (from strontium citrate)	680 mg **
------------------------------------	-----------

**Daily Value (DV) not established.

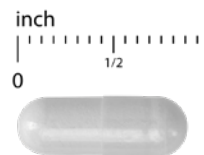

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), cellulose powder, vegetable source magnesium stearate.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#93856 60 Capsules

Recommendations: 2 capsules daily, or as recommended by your healthcare practitioner. For optimal absorption, take at least two hours apart from calcium supplements or foods that have a high calcium content.

Consult a healthcare practitioner prior to use if you are pregnant, nursing, or have impaired kidney function.

While calcium, magnesium, and phosphorus are the primary trace minerals needed for bone health, they are not the whole story. Strontium is a necessary mineral for bone health, too. Our supplement is an excellent choice for your patients to use with Silica-20™, or with other bone support products to support healthy bone density.* Best when used two hours before or after a calcium-containing product.

Health Benefits:

- Support new bone formation, bone mass, and bone strength*
- Combined with Silica-20, supports healthy bone mineral density*

What Makes Our Product Unique:

- Strontium citrate form for superior absorption and use by the body
- Safe, non-toxic form of strontium

Sucontral® D

Blood Sugar Balance and Healthy A1C Levels[†] • Clinically studied *Hintonia latiflora*

SUPPLEMENT FACTS		
Serving Size: 1 Capsule Servings Per Container: 60		
Amount Per 1 Capsule (Veg):		%DV
Vitamin C (as ascorbic acid)	30 mg	33%
Vitamin E (as d-alpha tocopherol acetate)	5 mg (7.5 IU)	33%
Thiamin (Vitamin B1) (as thiamin HCl)	0.7 mg	58%
Riboflavin (Vitamin B2)	0.8 mg	62%
Vitamin B6 (as pyridoxine HCl)	1 mg	59%
Folate	170 mcg DFE (100 mcg folic acid)	43%
Vitamin B12 (as cyanocobalamin)	0.5 mcg	21%
Biotin	50 mcg	167%
Zinc (from zinc acetate)	5 mg	45%
Chromium (from chromium chloride)	25 mcg	71%
Copalchi (<i>Hintonia latiflora</i>) Bark Extract (2-4:1)	100 mg	**
providing 20 mg of polyphenols		

Other Ingredients: cellulose powder, hydroxypropyl methylcellulose (vegetable cellulose capsules), corn starch, vegetable source magnesium stearate, vegetable oil, silica, mannitol.

No sugar, salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#62706 60 Capsules

Recommendations: 1 capsule, twice daily, or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

Product of Germany.

It is estimated that almost 30 million Americans would benefit from support of healthy glucose levels.[†] Many would like a safe, clinically tested, and effective option. Sucontral D provides it.* Sucontral D is a clinically studied formula powered by *Hintonia latiflora*, a botanical with a long history of traditional use and validated by over 70 years of German research.

Health Benefits:

- Proven blood sugar support throughout the day[†]
- Supports healthy insulin function
- Supports healthy glucose absorption
- Helps maintain healthy carbohydrate metabolism
- Clinical research shows it supports healthy A1C levels, triglyceride levels, and cholesterol levels^{**}

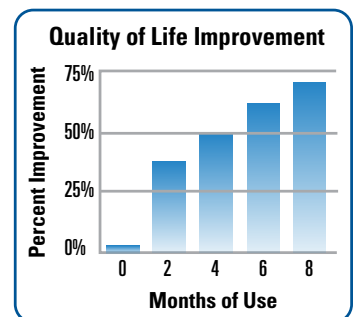

What Makes Our Product Unique:

- Clinically studied German formula
- Backed by 70 years of research
- Features exclusive *Hintonia latiflora*, which provides coutareagenin, a polyphenol found in its bark that powerfully supports healthy blood sugar balance^{**†}

- Also includes vitamins B, C, and E in addition to trace minerals chromium and zinc
- Safe and effective: After clinical studies, researchers followed up with study participants for almost three years, and there were NO significant side effects or problems reported

Sustainable Results:

Clinical research showed that with continued use, Sucontral D improved overall quality of life associated with blood sugar balance.^{**†}

Tart Cherry

Promotes Healthy Uric Acid Balance[†]

SUPPLEMENT FACTS		
Serving Size: 2 Capsules		
Servings Per Container: 60		
Amount Per 2 Capsules (Veg):		%DV
Total Carbohydrate	< 1g	< 1% [†]
Tart Cherry (<i>Prunus cerasus</i>)		
Fruit Powder	750 mg	**
standardized to contain ≥ 0.1% anthocyanins		

**Daily Value (DV) not established.
†Percent Daily Values (DV) are based on a 2,000 calorie diet.

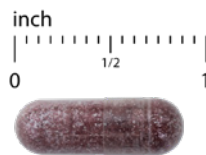

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), microcrystalline cellulose, silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#77712 120 Capsules

Recommendations: 1-2 capsules, taken up to three times daily or as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

According to Boston University Research, over 50 million Americans could benefit from support of joint flexibility and healthy uric acid levels. EuroMedica[®] Tart Cherry capsules provide precisely that in the convenience of a supplement. Tart cherries contain anthocyanins, with powerful antioxidant capacity that can increase the body's resistance to oxidative stress and support healthy uric acid levels in the body.*[†]

Health Benefits:

- Promotes healthy uric acid balance[†]
- Supports joint flexibility and comfort
- Aids recovery after exercise
- Provides superior antioxidant effects*

What Makes Our Product Unique:

- This supplement is a smart choice for people concerned about the amount of sugar in their diets they would otherwise get from consuming juice
- Our Tart Cherry supplement delivers a consistent level of tart cherries every day for reliable benefits*

Thyme *plus* Oregano

Microbial Balance*

SUPPLEMENT FACTS		
Serving Size: 1 Softgel		
Servings Per Container: 30		
Amount Per 1 Softgel:		%DV
Proprietary Formula	325 mg	**
Containing Thyme (<i>Thymus vulgaris</i>) Leaf CO ₂ Extract standardized to ≥ 38% essential oils, Oregano (<i>Origanum vulgare</i>) Leaf CO ₂ Extract standardized to ≥ 75% essential oils		
**Daily Value (DV) not established.		

Other Ingredients: gelatin, extra virgin olive oil, glycerin, purified water.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#96003 30 Softgels

Recommendations: Adults: 1 softgel daily for maintenance. May take 1 softgel up to three times daily for additional support.
Children (12 years old and up): 1 softgel daily. Dosages may vary as recommended by your healthcare practitioner.

If pregnant or nursing, consult a healthcare practitioner before use.

^Occasional stress.

Time Tested Immune Support*

Thyme *plus* Oregano delivers safe, strong, and effective support that doesn't compromise intestinal comfort, interfere with liver health, or cause drowsiness or jitters. The concentrated oregano and thyme oils in this formula, blended with extra virgin olive oil, supports immune defenses and healthy bacterial balance for a wide spectrum of benefits.*

Health Benefits:

- Healthy small intestinal bacteria
- Upper respiratory and sinus function
- Daily immune defense
- Healthy immune response during times of stress^
- Gastrointestinal health and comfort*

What Makes Our Product Unique:

- Delivers effective levels of concentrated plant oil compounds especially designed for internal use
- **Thyme** supports respiratory function, healthy bacterial balance in the digestive system, and overall immune system wellness*
- **Oregano** delivers targeted support for the digestive tract and helps keep the immune system healthy during times of stress^
- Includes extra virgin olive oil as a carrier for plant oils to deliver benefits without the GMO worries of canola oil
- Can be used by children ages 12 and up

Gastrointestinal • Immune & Upper Respiratory Support

^Occasional stress.

Thyroid Care™*

Supports Thyroid, Immune, and Complete Metabolic Function* • Iodine with L-tyrosine

SUPPLEMENT FACTS		
Serving Size: 2 Capsules		
Servings Per Container: 30		
Amount Per 2 Capsules (Veg):		%DV
Iodine	30,000 mcg (30 mg)	20,000%
(from potassium iodide 14,644 mcg, sodium iodide 14,644 mcg, molecular iodine [from kelp] 712 mcg)		
L-tyrosine	400 mg	**

**Daily Value (DV) not established.

Other Ingredients: microcrystalline cellulose, hydroxypropyl methylcellulose (vegetable cellulose capsule), silica.

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#75506 60 Capsules

Recommendations: 1-2 capsules daily on an empty stomach, or as recommended by your healthcare practitioner.

Do not use if trying to conceive, pregnant, or nursing.

If your patients are looking to support healthy energy levels, immune function, or metabolism, Thyroid Care is the right choice. The ability of the thyroid to function effectively depends on many factors: age, the environment, and family history, just to name a few. For many of your patients, the iodine and L-tyrosine in Thyroid Care can make a dramatic difference, supporting thyroid function and healthy production of hormones for optimal health.*

Health Benefits:

- Healthy thyroid hormone balance^^
- Daily energy
- Mental focus
- Healthy metabolism
- Immune health
- Healthy weight management*††

What Makes Our Product Unique:

- Targeted support for a healthy thyroid gland with iodine and L-tyrosine—required by the thyroid to synthesize key hormones*
- Iodine in three forms, including potassium iodide, sodium iodide, and molecular iodine for thyroid hormone synthesis*
- L-tyrosine, also known as tyrosine, is an amino acid that is required to support the production of the thyroid hormone thyroxine*

Adrenal &
Thyroid

^^Supports healthy levels already within normal range. ††In conjunction with a healthy diet and exercise regimen.

Tri-Iodine[®]

Supports Thyroid Function, Cellular Defense[^], and Hormone Balance[†]

SUPPLEMENT FACTS		
Serving Size: 1 Capsule		
Servings Per Container: 90		
Amount Per 1 Capsule (Veg):		%DV
Iodine	12,500 mcg (12.5 mg)	8,333%
(as potassium iodide 6,060 mcg, sodium iodide 6,060 mcg, molecular iodine [from kelp] 380 mcg)		
Iodine	6,250 mcg (6.25 mg)	4,167%
(as potassium iodide 2,935 mcg, sodium iodide 2,935 mcg, molecular iodine [from kelp] 380 mcg)		

Other Ingredients: microcrystalline cellulose, hydroxypropyl methylcellulose (vegetable cellulose capsules), silica.

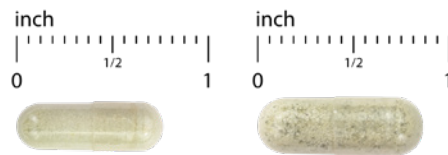

No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#61790 6.25 mg 90 Capsules

#68299 12.5 mg 90 Capsules

Recommendations: 1 capsule daily with food, or as recommended by your healthcare practitioner.

Do not use if trying to conceive, pregnant, or nursing.

Tri-Iodine provides three beneficial forms of iodine, an essential element. This mineral is required throughout the body, especially in the thyroid gland, but it is also critical for breast, ovarian, uterine, and prostate health.* But even though optimal levels of iodine are imperative to many systems in the body, your patients may not be getting the amount they need through diet alone.

Health Benefits:

- Healthy thyroid hormone balance and function[†]
- Cellular defense[^]
- Breast and prostate health
- Mental well-being and focus
- Immune health
- Detoxification
- Healthy metabolism*

What Makes Our Product Unique:

- Three forms of iodine because different tissues in the body prefer different forms. For example, thyroid tissue absorbs iodine best as potassium iodide, while breast and prostate tissue prefer the form of molecular iodine. Additionally, there is evidence that using sodium iodide enhances absorption of the other forms.
- Adjustable dosage: Available in two strengths for targeted supplementation: 6.25 mg total iodine (equivalent to 6,250 mcg), and 12.5 mg total iodine (equivalent to 12,500 mcg) per capsule.

Vitamin D3 Chewable

Mixed Berry Flavor

SUPPLEMENT FACTS

Serving Size: 1 Chewable Tablet
Servings Per Container: 90

Amount Per 1 Chewable Tablet:		%DV
Vitamin D3 (as cholecalciferol)	125 mcg (5,000 IU)	625%

Other Ingredients: xylitol, sorbitol, cellulose powder, maltodextrin, starch, vegetable source stearic acid, silica, flavor, ascorbyl palmitate, sucrose, beet juice, dextrose,

No salt, yeast, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#77509 90 Chewable Tablets

Recommendations: 1 tablet daily, or as recommended by your healthcare practitioner.

Contains xylitol, keep away from pets.

If pregnant or nursing, consult a healthcare practitioner before use.

Many of your patients probably don't get the level of vitamin D3 they need through diet or exposure to sunlight. Our Vitamin D3 Chewable can help. Vitamin D3 Chewable provides 5,000 IU of this critical nutrient in a convenient, great-tasting tablet. It's the right choice to support healthy bones, the immune system, cognitive function, and cellular health.*

Health Benefits:

- Supports healthy bones and teeth*
- Helps process calcium and phosphorus as they are absorbed in the intestines*
- Supports healthy T-cell activity for immune defense*
- Supports cognitive health and mental well-being*

What Makes Our Product Unique:

- Provides 5,000 IU of cholecalciferol, the body's preferred form of vitamin D3
- Chewable tablet in a delicious mixed berry flavor

Zinc *plus* Selenium

Immune & Respiratory Support*

SUPPLEMENT FACTS		
Serving Size: 1 Capsule		
Servings Per Container: 60		
Amount Per 1 Capsule (Veg):	%DV	
Zinc (from Albion® zinc bisglycinate chelate)	30 mg	273%
Selenium (as selenium yeast) (Saccharomyces cerevisiae)	200 mcg	364%

Other Ingredients: hydroxypropyl methylcellulose (vegetable cellulose capsules), rice bran extract, citric acid, vegetable source stearic acid, silica.

No sugar, salt, wheat, gluten, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

#78806 60 Capsules

Recommendations: 1 capsule daily, or as recommended by your healthcare practitioner.

Albion® is a registered trademark of Balchem Corporation or its subsidiaries.

If pregnant or nursing, consult a healthcare practitioner before use.

While your patients are very likely familiar with zinc and selenium as common minerals, they may not realize their importance in a daily regimen, nor the amounts needed for optimal benefits. This formula delivers bioavailable forms of zinc and selenium that the body absorbs and uses best for maximum effectiveness.

Health Benefits:

- Healthy white blood cell activity, immune strength, and upper respiratory health*
- Healthy bronchial function, lung capacity, and thymus function*
- Supports healthy inflammation response**
- Protects cells from oxidative damage and supports healthy DNA replication*
- Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that the consumption of selenium may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

What Makes Our Product Unique:

- The zinc in this formula is chelated to the amino acid glycine (zinc bisglycinate chelate) to help it absorb efficiently and effectively
- The selenium we've chosen for this supplement is a form that is especially known for healthy cellular support and provides support for immune and respiratory function as well*

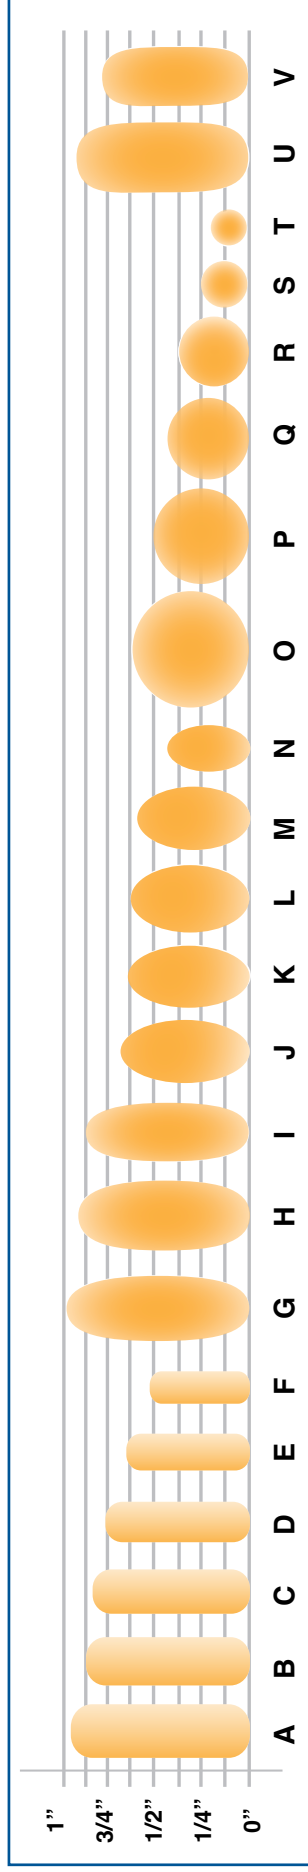

Cellular Health • Immune & Upper Respiratory Support • Vitamins & Minerals

*Occasional inflammation due to exercise or overuse.
